

Landscape Materials / Fertilizer / Agricultural Chemical Product List

Enquire for full line of blended liquid and dry organic and conventional fertilizers:

Enquire for full line of turf and ornamental seed and garden / landscape supplies, soils and soil amendments, groundcover, mulches, herbicides, pesticides, irrigation products, erosion control and drainage products.

Phosphates: Technical grade, 100% Soluble

- Monopotassium Phosphate (MKP) (0.52.34)
- Dipotassium Phosphate (DKP) (0.40.53)
- Monoammonium Phosphate (MAP) (12.61.0)
- Diammonium Phosphate (DAP) (21.53.0)
- Potassium Tripolyphosphate (KTPP) (0.47.52)
- Tetrasodium Pyrophosphate (TKPP) (0.53.0)

Potassium Nitrate (KNIT), Calcium Nitrate, Magnesium Nitrate

Acidulants / Alkalis

- Phosphoric acid / Phosphorous acid
- Citric Acid monohydrate/anhydrous
- Acetic acid Glacial 99.85%, 80%, 60%
- Sodium Citrate 50% solution
- Formic Acid 85%, 94%
- Potassium hydroxide (KOH)
- Boric acid
- Sodium hydroxide (Caustic soda)

Chelated Micronutrients

- EDTA Acid
- EDTA chelated micronutrients (iron, calcium, copper, magnesium, manganese, zinc)
- Iron DTPA 11%, Iron EDDHA 6%

Surfactants / Adjuvants

- Nonionic Surfactant (NP) Ethoxylated Nonyl phenols 2-100 mole
- Anionic full product range
- DDBSA (sulfonic acid), DDBSA salts
- Ethoxylated Fatty alcohols (EFA'S)
- Methyl Esters, Palm Methyl Ester (PME), Coconut Methyl Ester (CME)

Organic Fertilizer Raw Materials

Custom blended organic NPK fertilizers, bone meal, blood meal, feather meal, cottonseed meal, kelp meal, soy bean hulls and pellets, alfalfa meal, bat guano, palm ash, fish meal and emulsion, shrimp meal and emulsion, crab meals and emulsions, blended organic fertilizers. Other organic materials upon request.

Agricultural Processing Chemicals

- Glycerine - Phosphates (Potassium, Sodium, Calcium)
- Potassium Sorbate, Sorbic Acid, Citric Acid, Citrates (Potassium, Sodium, Ammonium)
- Formic Acid - Glacial Acetic Acid 99.85%

Sulfates

- Copper sulfate, Iron sulfate, Zinc sulfate, Magnesium sulfate, Manganese sulfate

Palm Oleochemicals

- Glycerine, Fatty acids
