GRILL GUARD

## WHO WE ARE:

Grill Guard is a 501(c)(3) certified charity started in 2019 to expand community outreach. We are very excited about bringing custom fit sports mouthguards directly to athletes through our partner funding programs.

## FOUNDER STORY:

“Some of my greatest role models and friends came from sports, but one day during a basketball game I had my front tooth knocked out! I wasn’t wearing a mouthguard and it was devastating. The embarrassment of a missing front tooth along with the dental surgeries required to repair my smile were difficult for me.”

Grill Guard was started to allow for education and prevention for athletes, it’s our turn to give back to the community.

## HOW YOU CAN HELP:

Donate today to help us reach our goal for helping athletes everywhere. The traveling unit will take our mission directly to the athlete to get them a comfortable, fitted and protective sports mouthguard.
