

GRILL GUARD®

Connect & Protect

August 2022

"Providing a connection between communities through sports, activities, gear, and events with custom fit sports mouthguards"

Highlighted Volunteers

We have the greatest volunteers! Today, we wanted to highlight three who have been there every step of the way. Mattie, Lauryn, and Sami have been a key to our success each year. Mattie has brought great help, while taking pristine impressions for every mouthguard. Lauryn and Sami make the registration process a walk in the park, while keeping our social media photos rolling with all the fun! Each year these three have shown support and care for the cause while bringing joy to everyone involved. Thank You!
