Connect & Protect

December 2022

"Providing a connection between communities through sports, activities, gear, and events with custom fit sports mouthguards"

Highlighted Dentist

Grill Guard has added a new program in 2022! Our dental professional program is designed to connect dentists with their

communities by sponsoring custom fit sports mouthguards free to patients.

We welcome LoFi Dental located in Edmond Oklahoma! Dr. Daryn Lu & Dr. Edith Q have opened a new office and are thriving. Their community connection starts with their chair-side care and relaxed office vibes, while now giving back to their community through sports safety.
