

Plant Availability From Mosaic Ecology's Footprint Farms!

Fall 2022 (Last Updated 11/2/22)

Locally harvested and propagated at our Cornelius property, we are proud to provide limited, yet high quality, indigenous plant materials for habitat enhancement projects. Plants are ready to harvest at anytime. We are prioritizing availability for current clients and ongoing projects.

To purchase plants, please contact your Mosaic PM. For questions regarding the plants themselves, please reach out to FootPrintFarms@mosaicecology.com
