

## Updated 12/4/25

Locally propagated and harvested at our Cornelius property, we are proud to provide high quality, indigenous plant materials for habitat enhancement projects. Plants are ready to harvest at anytime. We are prioritizing availability for current clients and ongoing projects.

To purchase plants, please contact your Mosaic Project Manager. For questions regarding the plants themselves, please reach out to [FootPrintFarms@mosaicecology.com](mailto:FootPrintFarms@mosaicecology.com)

|              | <i>Species Name</i>                   | <i>Common Name</i>     | <i>Stock Type &amp; Size</i> | <i>Totals Available</i> | <i>Cost</i> |
|--------------|---------------------------------------|------------------------|------------------------------|-------------------------|-------------|
| Wetland Spp. | <i>Carex obnupta</i>                  | Slough Sedge           | Bare-Root                    | 11,000                  | \$1.00      |
|              | <i>Schoenoplectus tabernaemontana</i> | Softstem Bulrush       | Bare-Root                    | 1,440                   | \$1.00      |
|              | <i>Scirpus microcarpus</i>            | Small fruited bullrush | Bare root                    | 12,000                  | \$1.00      |
| Wildflowers  | <i>Anaphalis margaritaceae</i>        | Pearly Everlasting     | Bare root                    | 675                     | \$1.25      |
|              | <i>Geum Macrophyllum</i>              | Large-Leaved Avens     | Bare-Root                    | 505                     | \$1.00      |
|              | <i>Lupinus polyphyllus</i>            | Large-leaved Lupine    | Bare-Root                    | 76                      | \$2.00      |
|              | <i>Symphotrichum subspicatum</i>      | Douglas Aster          | Bare-Root                    | 4,500                   | \$1.25      |
| Live Stakes  | <i>Cornus sericeae</i>                | Red Osier Dogwood      | 24-36"                       | 4,000                   | \$1.50      |
