

# Cakes

## ***Amaretto Dream (Because it's just that good!)***

Amaretto cake, filled with Amaretto flavored cream, covered with fresh whipped cream, studded with sliced almonds

## ***Carrot Cake (Just delicious!)***

Homemade cake loaded with carrots, pineapple, walnuts, spices and coconut for extra moistness. Filled and iced with cream cheese frosting and garnished with chopped nuts

## ***Cassata (A truly light dessert!)***

White cake layers brushed with an orange liqueur syrup, filled with ricotta sweetened with orange zest and chocolate chips, iced with fresh whipped cream and garnished with chocolate chips and sliced almonds. (nuts omitted upon request). For a sweet twist try it with strawberries

## ***Cassata Chocolata (A Caramici exclusive!)***

Chocolate cake filled with ricotta sweetened with cocoa and chocolate chips, frosted with chocolate flavored whipped cream; garnished with chocolate chips

## ***Cassavarian (Another Caramici exclusive!)***

Buttery yellow cake filled with a flavorful combination of Bavarian cream and ricotta, sweetened with Marsala wine.

## ***Creamsicle (The taste is true to its name!)***

Orange and vanilla cake filled vanilla cream and iced with fresh whipped cream.

## ***Grasshopper (Refreshing!)***

Deep dark chocolate cake layers filled & frosted with minty marshmallow creme

## ***Lemon Chiffon (Mmmmm)***

Fluffy vanilla cake filled with lemon cream, finished with fresh whipped topping

## ***Peco-liscious (A unique experience!)***

Moist white cake studded with coconut and pecans, iced with coconut cream frosting, garnished with chopped pecans and coconut

## ***Spumoni (Just like the ice cream!)***

Chocolate and strawberry cake layers filled with pistachio mousse, topped with whipped cream, cherries and sprinkled with more pistachios.

## ***Ultimate Chocolate (Did you want chocolate?!?)***

Rich chocolate layers filled with chocolate mousse and frosted with a chocolate fudge, draped with a chocolate ganache and drizzled with white chocolate. It's OMG delicious!
