Nominee's Affiliation: Forest County Association of Lakes

Nominee's Interests: (Explain your interests and how they align with Lumberjack's mission.)

My interest in becoming involved with Lumberjack RC&D stems from my active participation in environmental and community organizations, including my current role as President of the Lake Lucerne Advancement Association and involvement with the Forest County Association of Lakes. I am passionate about protecting our lakes and preserving plant and animal habitats for future generations. I believe in taking a strategic, long-term approach to land and water stewardship—developing plans that balance human activity with environmental sustainability. These goals closely align with Lumberjack RC&D's mission to promote the wise use of natural resources and support the sustainable development of our communities. I look forward to contributing my experience and commitment to this important work.
