

Suggested changes to By-Laws – 19 May 2020

1. Article III, Section 12 **Change from the NEWSLETTER LISTING TO the MEMBERSHIP LISTING.**  
This is by default the mailing list for the newsletter (when one is available.)
  
2. Article IV, Section 1 change **CORRESPONDING SECRETARY to either MEDIA OFFICER OR MEDIA VICE PRESIDENT.** There is no need for a corresponding secretary who sends out thank you notes to speakers. That is already covered under the program chair/VP.
  
3. Article IV, Section 6 and 7 – not sure why we take minutes for the general meeting – they are virtually the same every month except for speakers – maybe is good to have a record of those. Are any motions ever made? **Remove CORRESPONDING SECRETARY and change it to MEDIA OFFICER OR MEDIA VICE PRESIDENT.** Any news to the membership has always gone through the member chair/VP as they maintain the membership/ mailing listing.
  
4. Article VII – Committees - Section 1. The committees listed are out of date. We should review them. Maybe we should have one for Orchid Shows (table displays?), Plant Table, Hospitality, News (under Media person), Publicity (maybe a subset of Media or another person/committee), Sunshine (could be part of the recording secretary or even a sub-committee. Section 2 – AOS Representative (when have we ever had that person and what would they do?)
  
5. Signed: President and Date
