

ARO AUSTRALIAN TRAINING ACADEMY

The Master of Business Administration (MBA) equips students with the advanced knowledge and skills necessary for professional business practice or further academic study at the doctoral level. Students may choose to specialise in cybersecurity, global business, or information systems.

- Prepares graduates for leadership roles in the business world, providing them with the specialised knowledge and skills needed to succeed in demanding professional environments.
- Provides students with a solid foundation in business administration, preparing them for advanced professional roles or further doctoral studies.

ADMISSION REQUIREMENTS:

1. Possess a recognised bachelor's degree in a related field.
or
2. Possess a recognised bachelor's degree in any field with at least 2 years of professional experience in a managerial position.
or
3. Without a recognised bachelor's degree, will be accepted with the basis of at 5 years relevant professional experience, including 2 years in a managerial statement.

Note: Items 2 and 3 - Supported by a comprehensive CV summarising education and experience.
