

Alida Rose Smith

Proud Junior Member of Unit 119

Alida Rose has been a member since 2014 and has performed many duties as our only Junior member old enough to participate. She often joins her Grandmother Betty Smith working as a volunteer at many of our events.

Alida Rose Smith, represents us as our Miss Poppy at local events. She works a special online Poppy Days program on her own as she is out of town during our unit's Poppy Days. This has been very successful. She sends email and text to her family and friends with an explanation of what the program is, what the veterans poppy is and where the funds are spent and they donate to her.

Because of Pandemic lock down, this year she along with all our members did not have near as many opportunities this year. Yet Alida Rose stepped up by conducting the above-mentioned email Poppy Drive Campaign during our 2020 Poppy Days. She was able to bring in \$60.

Alida Rose plans on working on homemade gifts that can be handed out to veterans this next year and she plans on helping us put on Bingos at a local nursing home as soon as the Pandemic restrictions lift.

Here is Alida Rose Smith with her Grandmother Betty Smith volunteering at last year's garage sale.

We have no pictures of her this year as the Pandemic has made her work all remote.
