## FY26 21st Century Community Learning Centers (21st CCLC) Grant

Little Lambs Academy is pleased to announce our intent to apply for the FY26 21st Century Community Learning Centers (21st CCLC) grant. We plan to submit our proposal by the June 30, 2025 deadline.

If awarded, this grant will help us expand academic support and enrichment opportunities for students, with a focus on improving performance in English Language Arts and Mathematics. The program will include structured tutoring, curriculum-aligned instruction, and hands-on learning activities that support different learning styles and skill levels.

Little Lambs Academy plans to serve students in the Hillcrest Christian School, Oak Forest Elementary, and Bates Elementary communities.
