

SAFETY IS GOOD HOSPITALITY. BE READY. THEY COUNT ON YOU.

Weather and emergency notifications
that reach **every camper, every time.**

No apps. No sign-ups. Just reliable
alerts that keep your guests safe.

**When severe weather
threatens your
campground:**

**HOW DO YOU
REACH EVERYONE?**

Guests are spread
out across your
entire property.

**WHAT IF GUESTS
ARE ASLEEP?**

Every minute matters
when danger is
approaching.

**WHAT IF THEY'RE
AWAY FROM CAMP?**

Guests may be at the
pool, on the trail, or
down by the lake.

**WHAT IF THEY'D NOT
FOLLOW LOCAL WEATHER?**

Not everyone
monitors the forecast
or local news.

**WEATHERCALL EXCLUSIVES
NOTIFICATIONS FOR:**

- ✓ Extreme Tornado Warnings
- ✓ Extreme Severe Thunderstorm Warnings
- ✓ Flash Flood Emergencies
- ✓ Extreme Wind Warnings
- ✓ Lightning Alerts

Earlier alerts for the highest
level of severe weather threats.

**PARK MANAGER
MESSAGES**

Send important messages
instantly to all guests.

- ✓ Park updates
- ✓ Event reminders
- ✓ Boil water notices
- ✓ Facility closures
- ✓ And more

One message. Every camper.
Every time.

**EASY FOR CAMPERS.
SIMPLE FOR YOU.**

Campers and visitors can scan the
on-site QR code to add themselves
to the alert list in seconds.

*Scan.
Get alerts.
Stay safe.*
