Your sponsorship/donation to this event will help to fund the FOPA/FOP Cops and Kids Programs which provide aid to local children and give them the opportunity to shop with a local law enforcement officer at Christmas. The program is designed to build relationships between law enforcement officers and the community. Officers shopping with children in need for Christmas presents or school supplies show those children that the police are our friends and are there to help. Giving a child a present or the supplies they need to excel in school can leave a lasting impression.
