

We need YOU!

On a mission to love one another as neighbors in ways that matter & make a difference, we need ongoing partnership from congregations & individuals like YOU to make this work possible.

Our goal is to cultivate invested, ongoing, & life-giving partnerships to thrive in 2023.

Life-giving Congregational partnerships have these four elements:

- + Relationship,
- + Prayer,
- + Active service,
- + Financial support.

Right now, Peace Lutheran Church has committed \$15,000 to match YOUR congregation's gifts of support!

**Talk to your leadership.
Include TNC Missional support in your 2023 annual budget.
