

The title "Julian & Friends" is written in a stylized, orange, bubbly font on a large, light gray rock. The rock is surrounded by several cartoon characters: a girl in a pink leotard on the left, a yellow character with a red and purple cap on the top left, two children (a girl and a boy) on the top right, a yellow pencil character with eyes on the right, and a girl in a pink dress with a crown on the bottom right. The background is a vibrant blue sky with stylized mountains and a green landscape with trees and a house.
