

## Schedule of Points

As of May 12, 2025

For complete Conformation Championship requirements see Chapter 16 of the Rules Applying to Dog Shows

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. If no points are available for the Best of Winners, the number of regular class dogs in both sexes are added together and compared to the point schedule. If the total sum of regular class dogs and bitches meets or exceeds the number of competitors needed for one point in its sex, the Best of Winners will receive one championship point.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

**NOTICE:** An agent is a person 18 years or older, other than an owner or co-owner, designated by the owner or co-owner of an exhibit to be handler of, and responsible for, the dog at the show. Agents' names may be followed by the initials which represent their AKC-recognized professional group affiliation or certification. Persons seeking the services of such an agent should familiarize themselves with the requirements for professional group membership or certifications which are available at the superintendent's office.

### HOW TO FIGURE POINTS IF YOUR CHAMPION DOG OR BITCH GOES BEST OF BREED

Grand Championship (GCH) points for BOB/Variety will be calculated according to the number of eligible dogs of both sexes competing in the regular and non-regular (eligible for Best of Breed/Variety) classes, as well as those dogs competing in Best of Breed competition. In no case shall BOB receive fewer GCH points than BOS.

A dog awarded BOS will be credited with eligible dogs of that sex competing in the regular and non-regular classes, as well as those dogs of that sex competing in BOB.

A dog awarded Select Dog or Select Bitch will be credited with all eligible dogs of that sex defeated in the regular and non-regular classes, as well as those dogs of that sex defeated in BOB (Less the dog awarded Best of Breed/Variety or Best of Opposite Sex.)

GCH points may only be awarded to Champions or unconfirmed Champions that are entered in BOB or winners of non-regular classes that are competing in BOB.

TIPS: Non-regular class dogs that are not eligible for Best of Breed/Variety are not counted in determining points. Veteran dogs or any other eligible entrants from non-regular classes can earn Grand Championship points. Any Champion dog from the regular or non-regular classes is not considered for the requirement to defeat at least one Champion of Record at three shows

TIPS: When counting dogs in competition, you only count dogs present that are judged. Dogs that are disqualified, dismissed, excused, absentee or have all awards withheld do not count.
