TUFFY

Hello, my name is Tuffy, but I'm not tuff at all. Happy, with a wagging tail, is my way of showing affection. I'm a little shy at first, but with patience and time I warm up; I give kisses and enjoy being petted. I love to play with toys, and chew on Nyla-bones! I'm 12 years old and very healthy. I love to curl up on my dog bed, near you, and take my naps. I get along fine with my foster-dog siblings. I guess I would say I'm the perfect dog for someone wanting an easy-going, low-maintenance companion. If you are interested in meeting me, log on to www.foster2home.org, fill out an application and someone will contact you.
