non-artist rules of engagement

I AM THE BOSS. PERIOD.

Choose to show up in my humanness.

Do what I don't know and don't
wait for inspiration.

Stay consistent with showing up
to practice, practice is regulation.

I GIVE MYSELF PERMISSION TO BE UNREALISTIC AND DELUSIONAL.

Let it be unpolished and messy and true.

The act of creating is always
more important than the result.

I create for the highest good of me & others.

CONSIDER EVERYTHING AN EXPERIMENT.

Trust myself and stay with it for a while.

Pull everything out of myself,
the pretty and the ugly.

NOTHING IS A MISTAKE. THERE IS NO WIN AND THERE IS NO FAIL.

THERE IS ONLY MAKE.
