Tax Preparation Engagement Letter

Name:			
Name of Company:			
Last 4 of EIN:			
Thank you for choosing ZPS, In and outlines the nature and exten	•	letter confirms	s the terms of our engagement with yo
Our engagement is limited to per	forming the following services:		
Tax Year:	Type of Tax Return(Choose only 1)	1065	☐ 1120-S
		1041	☐ 1120-C

This engagement pertains only to the year listed above, and our responsibilities do not include preparation of any other tax return years that may be due to any taxing authority. We are responsible for preparing only the returns referenced above. If you have taxable activity in a state or local municipality other than that referenced, you are responsible for providing our firm with all the information necessary to prepare any additional applicable state and local income tax returns as well as informing us of the applicable states and local municipalities. If you have income tax filing requirements in a given state or local municipality but do not file that return, there could be possible adverse ramifications such as an unlimited statute of limitations, penalties, etc. This engagement letter does not cover the preparation of any financial statements sales and use tax, or gift tax returns, which, if we are to provide, will be covered under a separate engagement letter.

We will depend on you to provide the information we need to prepare complete and accurate returns. We may ask you to clarify some items but will not audit or otherwise verify the data you submit. We have a tax organizer available to help you collect the data required for your return. The Organizer will help you avoid overlooking vital information. By using it, you will contribute to efficient preparation of your returns and help minimize the cost of our services

We will perform accounting services only as needed to prepare your tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. We will, of course, inform you of any material errors, fraud, or other illegal acts we discover.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.

You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them. We are not responsible for the disallowance of doubtful deductions or inadequately supported documentation, nor for resulting taxes, penalties and interest.

The Internal Revenue Service imposes penalties on taxpayers, and on us as return preparers, for failure to observe due care in reporting for income tax returns. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom we prepare tax returns to confirm the following arrangements.

Federal, state, and local taxing authorities impose various penalties and interest charges for non-compliance with tax law, including for example, failure to file or late filing of tax returns and underpayment of taxes. You as the taxpayer remain responsible for the payment of all taxes, penalties and interest charges imposed by taxing authorities. If we determine, at our sole discretion, that we may be subject to a preparer penalty due to a tax position on your return, you agree to either adequately disclose that position on your return or change the position to one that we confirm would not subject us to penalty. If you choose not to change your position or adequately disclose the tax position so as to eliminate, at our sole discretion, our exposure to the preparer penalty, we, at our sole discretion and at any time, may withdraw from the engagement without completing or delivering tax returns to you. Such withdrawal will complete our engagement and you will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenses incurred through the date of our withdrawal.

Federal, State, and local taxing authorities also impose various penalties and interest charges for noncompliance with tax law, including for example, failure to file or late filing of tax returns and underpayment of taxes. You as the taxpayer remain responsible for the payment of all taxes, penalties and interest charges imposed by taxing authorities.

The Affordable Care Act (ACA) has added various new health insurance mandates, penalties and credits. You acknowledge and Tax Pros Plus agrees, that we will rely solely on information provided by you for the purposes of preparing your tax returns listed above and have provided no advice regarding your eligibility for any credits, estimates of any payments or estimates of any penalties under the ACA.

Confidentiality. All information you provide to us in connection with this engagement will be maintained by us on a strictly confidential basis. In the event we receive a subpoena or summons requesting that we produce documents from this engagement or testify about the engagement we will notify you prior to responding to it if we are legally permitted to do so. You may, within the time permitted for our firm to respond to any request, initiate such legal action as you deem appropriate to protect information from discovery. If you take no action with the time permitted for us to respond or if your action does not result in a judicial order protecting us from supplying requested information, we may construe your inaction or failure as consent to comply with the request. Time incurred in connection with subpoenas, and/or other related legal matters involving you, and or your account(s), will be billed at our normal hourly billing rates.

Internet Communication. In the interest of facilitating our services to you, we may communicate by facsimile transmission or send electronic mail over the internet. This often involves sending data, documents and other information, including sensitive tax and financial information. Such communications may include information that is confidential to you. Our firm employs measures in the use of facsimile machines and computer technology designed to maintain data security. While we will use reasonable efforts to keep such communications secure in accordance with our obligations under applicable laws and professional standards, you recognize and accept that we have no control over the unauthorized interception of these communications once they have been sent and consent to our use of these electronic devices during this engagement. You should ensure that your email server and the information stored on your system is secure. We are not responsible for any transmission problems or for the failure of you or any authorized recipient of the information to receive files. You are solely responsible for (i) notifying the firm of the failure to receive files containing your information so that we may provide a copy in an alternate form; (ii) securing your email server and restricting access to your email in order to maintain confidentiality of the information transmitted; (iii) storing the electronic files containing the information; and (iv) acquiring and maintaining the software needed to open and access the files containing the information.

Our fee for services will be based upon the complexity of the return(s) and the extent of the tax forms required for us to properly file your tax return(s).

You agree that our firm's liability for any and all claims, damages, losses and costs of any nature arising from this engagement is limited to the total amount of fees paid by you to our firm for the services rendered under this agreement.

We will return your original records to you at the end of this engagement. You should securely store these records, along with all supporting documents, canceled checks, etc., as these items may later be needed to prove accuracy and completeness of a

return. We will retain copies of your records and our work papers for your engagement for seven years, after which these documents will be destroyed.

Our engagement to prepare your tax returns will conclude with the delivery of the completed returns to you (if paper-filing), or your signature and our subsequent submittal of your tax return (if e-filing). If you have not selected to e-file your returns with our office, you will be solely responsible to file the returns with the appropriate taxing authorities.

To affirm that this letter correctly summarizes your understanding of the arrangements for this work, please sign where indicated and submit to our office. Your tax return(s) cannot be prepared until this engagement letter is signed and we receive it in our office.

We appreciate your confidence in us. Please call (562)277-9128 if you have questions.

This Organizer is provided to help you gather and organize information relating to preparation of your corporate income tax returns. Please provide us with a copy of the corporation's tax returns for the last year filed if you are a first-time client of ZPS Inc.

If you maintain your organization's books using a bookkeeping system such as QuickBooks, Wave or Excel, you can provide us with a profit and loss statement and balance sheet rather than completing the income and expense and balance sheet sections of this organizer.

If you would like our accounting staff to prepare organizational income and expense reports for you, there will be an additional fee to do so. If you prefer this option, please provide us with the following documents:

- o Business bank statements for all months of the year
- Credit card statements (for business-use credit cards)
- o Receipts for cash purchases not shown on bank or credit card statements
- o Checkbook register
 - Identify all checks by entering an expense category in the memo section
 - Identify a personal withdrawal of funds from your business account as "Shareholder Distribution
 - Identify a deposit of personal funds to your business account as "Shareholder Contribution." If contributions and distributions were made for more than one shareholder during the year, provide separate information for each shareholder.

Travel Expense Worksheet

Meal Per Diem (Important facts)

- For each day a 2% shareholder of the company traveled away from home for business outside the metro area, the Corporation may claim the actual cost of shareholder lodging and meals. For meals only, the Corporation may reimburse the shareholder a daily per diem amount instead of actual costs.
- For each day a non-shareholder employee of the company traveled away from home for business outside the metro area, the Corporation may choose between claiming the actual cost of employee meals and lodging; or it can reimburse the employee a daily per diem amount for meals and lodging.
- The daily per diem amount varies depending on the city and country the employee traveled to. To calculate the per diem, amount the Corporation is entitled to reimburse, provide a detailing of each city the employee travelled to for business during the year and the number of days in each city.
- The Corporation can alternate between actual expenses and the per diem method for each business trip; however, it may not use both per diem and actual for the same business trip.
- The Corporation may reimburse a partial per diem if an employee or shareholder traveled outside metro area for less than a full day.

Business Use of Automobile

Documentation must be kept proving business use of Corporation-owned or shareholder-owned vehicles.

- If a shareholder or an employee used his or her automobile for active conduct of Corporation business:
 - The Corporation can provide reimbursement for actual operational expenses of the vehicle or it can reimburse using an allowable standard mileage rate.
 - A written log or other record must be maintained and submitted to the Corporation. o For each shareholder or employee for whom the Corporation paid auto-expense reimbursements during the year, the Corporation should maintain a written record of the expenses incurred and the reimbursements paid.
- The Corporation may claim actual operational expenses incurred for vehicles that are owned by the Corporation.
 - o Proof of business use in the form of a mileage log or a written calendar must be maintained unless it can be shown the vehicle was 100% business use.
 - o If the business provided a vehicle for employee use, complete Section B below.

For any vehicle that was used by a 5% or more owner of the business, additional information must be reported to IRS. **Complete Section A** shown below.
