

## 2020 COVID-19 DISINFECTION & SANITATION PLAN

Sound Choice is committed to help prevent the spread of Covid-19 by implementing the following disinfection and sanitizing plan.

As part of our preparedness plan we are also taking the following actions and how you can help:

- Prior to entering the testing unit – Please ask staff members to complete and sign the Employee Questionnaire.
- Outside of the mobile unit - Please assist us by insuring staff members are wearing face coverings and remaining quiet during testing.
- Everyone entering the mobile office will be required to wear a face covering properly, at all times.
- Our Technician may perform a quick temperature check on any person exhibiting symptoms of Covid-19 prior to entering.
- Our Technician will direct each person to enter office **one at a time**. Each person will be directed to a testing booth prior to the next person entering the mobile office.
- After the testing is completed each person will be instructed to please wait in the testing booth until they are instructed to leave, one at a time.
- Technicians wear face coverings and perform self-assessments each day for any symptoms.
- Please note: Anyone who is feeling under the weather and/or experiencing cold/flu-like symptoms will be directed to their Supervisor and will not be permitted to enter office.

- Technician will sanitize all surfaces (booths, switches, counters, head phones, stools, etc...) after each group tested with EPA approved disinfectant.
- Hand sanitizer is available for use before and after hearing testing is completed.

EPA Reg No. 777-114\*\*

EPA Reg. No. 10324-85\*\*

\*\*These items have been approved by the EPA to kill the germs that cause the Covid-19 virus

Sound Choice regards the health and welfare of your employees and our technicians with high importance. We are committed to taking all necessary precautions to help prevent the spread of Covid-19. Please let us know if you have any questions or concerns.
