

Safer California Training Seminar Series

A Statewide Learning Community for Preventing Childhood & Youth Unintentional Injury

The Safer California Training Seminar Series brings together local prevention coalition, program, community leaders and key staff and public health community members with injury prevention educators, from across California. Our goal is simple: **End unintentional injuries as the leading cause of death and hospitalizations and build a safer future for every child and family in California.**

These seminars support the development and implementation of the **2026 Safer California Injury Prevention Action Plan** and provide practical tools, evidence-based strategies, and opportunities for collaboration.

Upcoming Seminars (All by Zoom and at 12:00 PM Pacific Time)

- **June 25** — Drowning Prevention: Student & Parent Education with Schools
- **July 16** — Identifying & Addressing Local Drowning “Hot Spots”
- **July 30** — E-Bike & Bicycle Safety with Schools & Traffic Safety Agencies

About Safer California

Safer California is a statewide initiative housed under the California Coalition for Children’s Safety and Health (CCCSH) and its partners across nine regions of the state. Together, we are developing the **2026 Safer California Injury Prevention Action Plan**, a coordinated roadmap to reduce preventable injuries among children and youth.
