# SELTZER Fest

We're excited to invite you to be part of the Destin Seltzer Festival, taking place on **May 2, 2026 at The Market Shops**. This high-energy, community-driven event will welcome 300-500 attendees for an afternoon of seltzer sampling, live music, and coastal vibes along Florida's Emerald Coast.

We are currently seeking select seltzer brands and breweries to participate through a product donation of 15-20 cases. Your brand will be featured at a dedicated tasting station, where trained volunteers will pour 2 oz samples for guests, allowing attendees to experience your flavors and discover new favorites in a fun, engaging setting.

This event is more than just a festival, it's a fundraiser with a meaningful mission. The Seltzer Festival is hosted by **Opportunity Place**, our local low-barrier homeless shelter committed to keeping families together and helping individuals transition into stable, independent living. 100% of proceeds from the festival go directly toward supporting their operations and programs that rehabilitate and uplift families in our community.

Your participation not only provides valuable exposure for your brand to a highly engaged audience, but also directly contributes to a cause that is changing lives locally.

We would love to partner with you for this impactful and exciting event. Please let us know if you're interested, and we'll be happy to share additional details.

Cheers,

Cali Hlavac
