Freelance Experience

KITCHEN THERAPY WITH BRANDY
CONTENT MARKETING SPECIALIST

I write and research informative blogs and programs centered around nutrition, diet, exercise, and positive lifestyle changes. I proofread all email marketing initiatives. I craft recipes and create user-friendly health guides. I edit website content and write much of the site copy. I act as a creative consultant and work with brand partners to build content.

APPLEBY HEALY ATTORNEYS AT LAW
SPECIAL PROJECTS COORDINATOR

I manage and develop social media content. I prepare training documentation for staff members. I edit website copy and metadata. I build out website pages. I create scripts for video projects. I create physical marketing materials.
