Ashes to Ashes and Dust to Dust: Why Lutherans Receive Ashes on Ash Wednesday

<http://www.faithlutheranla.org/blog/ashes-to-ashes-and-dust-to-dust-why-lutherans-receive-ashes-on-ash-wednesday>

February 25, 2019

Many non-Lutherans wonder why their Lutheran friends or family members wear ashes on their forehead at the beginning of Lent. Are they showing off? Are they trying to stand out? Is it some weird secret church ritual? What does it mean? Should I get them too?

There are three reasons why Lutherans go to church to receive ashes on Ash Wednesday. First, the ashes remind people of their sinfulness. Second, the ashes remind people of their mortality. Third, the ashes remind people that they have been redeemed. Let's unpack this a bit.

Since ancient times, God's people have used ashes as a sign of humble repentance (e.g. Jonah 3:5-9; Job 42:6; Daniel 9:3; Matthew 11:21; Luke 10:13). This tradition was carried on by the early church and remains an important tradition today. When one willingly goes up to a pastor and receives ashes on his/her forehead, they are admitting that they are sinners in desperate need of salvation. They are admitting that they have sinned not only against their neighbors, but against God Himself. The ashes show demonstrate that without God, all people are spiritually dead. The ashes remind the wearer of their need to repent and confess in order to be turned back to God. The ashes demonstrate our pleading that the Lord would purify us. The ashes serve as a tangible and visible sign of our failure to love God as much as He loves us.

The receiving of ashes on Ash Wednesday also remind people of their mortality, which is the direct result of God's condemnation of our sin. God said to Adam, "You are dust and to dust you shall return" (Genesis 3:19). Ashes serve as a solemn reminder that the price of sin is death. Man cannot escape death. Often, people today feel as if they are invincible. It's easy to feel like we're at the top of the world, capable of doing anything that we desire. We keep ourselves busy doing "good" things, but fail to recognize that in reality we are dead men walking. People don't like to think about death. Our culture has seemingly sterilized death. We make every attempt to avoid death. Death is uncomfortable. And, that's why ashes are so important. They are the physical reminder that God created man from the dust of the earth and one day all men will return to the dust of the earth. Ashes to ashes and dust to dust. The ashes force us to remember that we are merely mortal and that God alone is sovereign and reigns for all eternity.

Ashes also tell us the good news of the Gospel! You see, ashes aren't just smeared randomly or haphazardly across people's foreheads. The ashes are given in the shape of the cross. In receiving the ashes, we remember that our Lord Jesus took on the fullness of our humanity. He who was sinless became our sin. Jesus the Christ was crucified on a cross. He was crucified for you. He descended into hell where he endured the fullness of the wrath of God on your behalf. Then Jesus conquered death through His resurrection. He was resurrected for you. In doing so, He has taken the ashes of our past and created in us new life, allowing us to live forever in the holy presence of God! He has redeemed His children, making us clean and new. Through the cross of Christ, the power of death has been destroyed. Through the cross there is life. The cross-shaped ashes on our foreheads proclaim the good news that sin and death have been conquered through the cross of Christ.

In many Lutheran Ash Wednesday services, the Lord's Supper immediately follows the receiving of ashes. We, who were once dead in our sins, we who deserve to die, come to the Lord's Table literally wearing the cross of Christ. Here, at the Lord's table, those who have humbled themselves before the Lord, who have admitted their sin, who know they deserve death, are instead given the new life that is only found through the body and blood of our loving Lord Jesus. Here, at the Lord's table, those marked with the cross of Christ are raised up, strengthened through God's mercy, love, and grace, and sent forth into the world to proclaim the good news.

Ash Wednesday is March 5. You are encouraged to find a local Lutheran church so that you, too, can join in this special occasion in which we humbly come before the Lord, repent of our sinful ways and receive the free gift of our Lord Jesus Christ. Interestingly, the ashes Lutherans receive are traditionally made out of the palm branches used previously on Palm Sunday, a day when people rejoiced and praised Jesus only days before they turned on him and yelled "Crucify Him!" (Matthew 27:22; Mark 15:13; Luke 23:21; John 19:6) This serves as a powerful reminder that people are sinful, death is real, but Resurrection Day (Easter) is coming! Come, all are welcome. All are in need of salvation. Let the Lord use the ashes of your past to create in you a clean heart and new life in Him.

Eden's Women of the ELCA group (WELCA) donated \$500 to Fortune Lake

Dear Fortune Lake Supporter,

Generosity is contagious. Recently I had a conversation with a donor whose daughter had been coming to camp for some time. Four years ago, the family was new to the community, and the daughter was initially invited to attend Fortune Lake for free through a local scholarship opportunity. That first week at camp helped her to experience the love of God in ways she never had. Her mom was excited to see that not only had she felt safe and had a fun time, but she also came home singing songs about Jesus. Fast forward to the next winter. The family found themselves in a different financial situation, instead of needing a camp scholarship, they were now ready to pay for camp and cover the cost of another youth to come for free, just like their daughter had the summer before. This pattern has continued each year, with multiple youth experiencing God's love, ever widening the circle. Like ripples from the rock thrown into Fortune Lake, the effects multiply beyond our understanding.

Daily I witness love graciously poured out on behalf of others through your financial support of this ministry. Often, those gifts are multiplied in ways we may never imagine or understand. God is that.

Thank you for supporting the ministry of Fortune Lake. As always, we promise to use your gifts well. Your love and generosity are certainly contagious, and we couldn't do this important work without you.

Thanks be to God!

Grace & Peace

Amanda Rasner – Camp Director

WELCA donated \$500 to the Women's Center

Dear Eden Lutheran Church,

On behalf of the Women's Center and its emergency shelter, Harbor House, I want to thank you for your generous donation of \$500.00. That is a wonderful gesture of kindness from you.

Your willingness to help women, men and children in our community survive the trauma of domestic violence or sexual assault in their lives makes all the difference for them. At the Women's Center, our mission to provide services to survivors and their families of domestic violence and sexual assault is dependent on Community support. In FY2024, we provided 4,277 shelter nights for more than 334 individuals of domestic or sexual violence and 5,067 support Line Calls. The need for our services, unfortunately, exists in our communities.

Thank you again for supporting our programs.

Sincerely,

Jennine Frazier

Farms for Folks 2025

In the summer of 2020, the Farms for Folks program (FFF) started home deliveries of fresh food from local farmers to Alger County neighbors who struggled to access high quality food. Our increase in deliveries each year demonstrates the need is growing. Participants felt the quantity of farm products was enough for two weeks. So, in 2024 we delivered to about 20 households on even weeks and 20 different households on odd weeks: 6 weeks each, over a 12 week period. We had three delivery areas: Western Alger County, Munising and Grand Marais. We hope to increase our numbers to 48 households in 2025.

Year	Volunteers	Farms	Participants
2020	8	9	10
2021	10	10	19
2022	8	10	22
2023	11	11	26
2024	11	11	40

Farms For Folks' success depends on

The Community:

- FFF is funded entirely by donations from community members and businesses.
- Each year, we have been able to grow thanks to these donations.
- We are grateful for the incredibly generous community in which we live.

The Farmers:

- Participating farms supply fresh vegetables, bread, pork, honey, eggs, chicken, and mushrooms and more.
- Farmers are paid full market price for their products.
- Almost all the participating farmers have been with us from the start. FFF farmers care for our community members.

The Volunteers:

- Are wonderful, dedicated, incredibly reliable, and really enjoy seeing the FFF families.
- Like the farmers, we have volunteers who have been with us from the start and every year we have more coming on board to help. Enough can't be said about the volunteers' reliability and dedication. We could not do FFF without them.

The Families:

- This year to qualify, households must meet 2 or more of the below criteria
 - Live anywhere in Alger County **and**
 - Do not have access to a car **or**
 - Are a senior citizen, veteran or are disabled **and** Most times do not have enough money to buy fresh groceries **or**
 - Are a Medicaid or SSDI recipient **or**
 - Need to frequent the food pantry often to make ends meet **or**
 - Have no access to the closest farmers market **and** no ability to have a garden of their own or access to a neighbor's garden.
- No income or eligibility information is required; we believe in treating our community members with dignity, respect, and trust. To date, this has proven to be an honest system for recruiting those households that could benefit from FFF.
- Will receive 6 bags of produce and farm products over the 12 weeks.
- Are encouraged strongly to share if they feel they have too much.
- Receive information/recipes corresponding to bag contents.

SIGN UP FOR 2025 IS APRIL 1-30 ONLY

Our fundraising goal for 2025 is \$13,000.

- Hope to deliver to 48 households, over 12 weeks (mid June -Mid September)
- Cost per bag delivered estimated at \$40-45. As we all know, food prices and energy costs continue to rise.
- Each bag of food includes fresh produce, and on some weeks may include eggs, mushrooms, meat, bread or more.
- Each bag includes recipes/info specific to bag contents
- Your contribution is exclusively for Farmer's payments for their contributions, small volunteer gas stipends, and a few supplies.

Any support you can give will be deeply appreciated. Please feel free to reach out via email, text or phone with any questions.

Sincerely,

Elise Bunce - Farms for Folks Organizer

Letter from the Vicar

February has been a very exciting month at Eden. Our annual meeting was a great success. One very exciting thing that happened at the meeting was that four people who had never held a voted position joined one of guilds or committees for the first time. New member Donna LeRoy and Marissa Graves have joined the altar guild. Emily Cook has joined the nominating committee and David Decet has joined the audit committee. People taking leadership roles for the first time is vital to the growth and strength of Eden.

At the annual meeting Jennifer, Nathaniel Wood and family gifted Eden with a beautiful replicated page from the Gutenberg Bible. This framed page is currently displayed in the narthex.

On February 23rd, Eden welcomed Donna LeRoy and Brandalyn Decet as new members. Donna has already been a very active volunteer at Eden and Brandalyn has taken on the role of Treasurer after Ruth Lindquist's retirement. We welcome these ladies and thank God for these new sisters in Christ.

Pastor Ellie Russey has offered to play the piano for Sunday service when she visits as my supervisor. Pastor Ellie is amazingly talented and her music greatly elevated the service. One Sunday a month Pastor Ellie meets with me as my supervisor to discuss my class work, service presentation and to share her wealth of knowledge. Additionally, Pastor Ellie answers all my questions when I am stumped by how to proceed preparing a service or sermon. Pastor Ellie was a great blessing to my life when she was our interim pastor and is blessing me once again. My gratitude for her is immeasurable.

The Ecumenical Committee has met to plan the Lenten season. The full schedule is in the newsletter and will be on our website. The Wednesday soup suppers and services are so important for continuing and building ecumenical relationships. The leaders of the other churches that form the ecumenical group have been very generous with offering me support and advice. I am thankful to have this wonderful group beside me as I grow in my role as your vicar.

This year I approach Lent from a much different position than in the past. I have never given Lent the attention that I will this year. I am looking forward to all that I learn about this season. I invite you to include Ash Wednesday, Wednesday night and Holy Week services in your Lenten journey. Together we can dive deeper into what Lent means and how we choose to honor this sacred time.

God's peace,
Vicar Elaine

Thank You to the Wood Family

At the Annual Meeting Nathaniel Wood presented Eden with a reproduction of a page from the original Gutenberg Bible. The page is a gift from the Wood family which they brought home from their trip to Germany. While in Germany, the Wood family toured the Gutenberg Museum, home of the original Gutenberg printing press and two of the surviving copies of the original Gutenberg Bible. The page that the Woods gifted Eden is from the Gospel of John. The page is absolutely beautiful. It was manufactured using the letter press technique and hand coloured using tempera paint and gold ink.

Thank you to Jennifer, Nathaniel, Lyon, Skylar, and Lena

Help Us Collect Underwear and Socks Donations

Throughout Lent we will be collecting new socks and underwear for women, men and children. All collected items will be donated to **Room at the Inn**. A basket will be in the narthex for donations.
