

Kiwanis Club of Kennewick 100th Anniversary Celebration “Building Our Neighborhood”

The Kiwanis Club of Kennewick is conducting a special fundraising endeavor to help build the Tri-City Union Gospel Mission Women and Children’s Center. We begin raising funds on May 1, 2026, culminating with a 100th Anniversary Celebration on May 15, 2027 at the Three Rivers Convention Center. Please join us!

We have invited Ms. Emma Swift Lee, M.Ed., Director of the Fred Rogers Institute, to be our Keynote Speaker. Ms. Lee will reflect on the legacy of Mr. Rogers and “his neighborhood” and her message will emphasize creating a community that benefits our kids.

“**Building Our Neighborhood**” will recognize and thank you, the many generous individuals and businesses who help strengthen our community through your contributions. You play a vital role in our efforts to serve the needs of women and children. Thank you for your partnership and help in building the Tri-City Union Gospel Mission Women and Children’s Center.
