

Kiwanis Club of Kennewick 100th Anniversary Celebration “Building Our Neighborhood”

Breaking the Cycle of Poverty in Our Community

The focus of Kiwanis has always been about serving the needs of our greater community, especially the needs of children. For nearly 100 years, our Kennewick Kiwanis Club has provided volunteer services to make this a great place to live.

*“Poverty’s impact on children is more prevalent in our community than we expected. **Breaking the Cycle of Poverty is our call to action** after years of working with our community and its leaders.”*

adopted by Kiwanis Club of Kennewick Board

Our Club members work hard to meet our local children’s basic needs (nutrition, clothing, safety), be adult role models, and provide tools to help them develop good character and self-esteem to succeed in school and life. We have found success partnering with the Kennewick School District, Catholic Charities, Boys and Girls Club, B5 Learning Center, Tri-Cities Cancer Center, the Kiwanis Young Professionals, Kiwanis Finley, and Key Club.

In 2023, our Kiwanis club learned of the Tri-City Union Gospel Mission’s project to build a Center for Women and Children at Vista Field in Kennewick. This facility will fill an urgent need in our community and provide life-changing services to help break the cycle of poverty locally. The current 100-year-old facility for women and children is overwhelmed and serving only 25 individuals. In the new facility, up to 60-70 women and children will be able to live at the center while they make lasting improvements to their lives.

As we celebrate our 100-year presence in Kennewick, we have decided to support the Tri-City Union Gospel Mission in this worthwhile endeavor. The Tri-City Union Gospel Mission has already raised \$7.5 million in a capital campaign. Please join our Kiwanis effort to support them in reaching their goal of \$9.5 million! Your generous donation will personally impact many lives for year. See the attached form for donation levels.

We are excited to partner with you in celebrating our Kiwanis Club’s 100th Anniversary by bringing success to the Tri-City Union Gospel Mission Women and Children’s Center.
