All-inclusive pricing and 90 years of experience means value and peace of mind when you travel with CIE Tours.

Knowledgeable Guides

To feel like a local, travel with one. Our friendly tour directors are storytellers with a passion for sharing the rich history and traditions of their homelands. Through engaging narratives you'll hear on your journey, our guides bring colorful characters and legends to life. Their words bring like-minded travelers together, helping to forge lasting friendships along the road – and their 95% guest satisfaction rate is the envy of the industry.

Authentic Experiences

On a CIE Tours vacation, we'll show you hidden gems among the iconic sights you've always dreamed of seeing. Our long-standing local relationships mean you'll have access to exclusive venues and experiences no other tour operator can offer. Explore famous attractions as we wander together through historic cities and cobblestone streets. We'll invite you to try a pint in Ireland's oldest thatched pub while listening to traditional music. These genuine interactions with people and places are what make travelling with CIE Tours special.

Carefree Touring

We're with you every step of the way, managing logistics so you can enjoy the experience. Our nine decades of experience means we've planned your itinerary to maximize your vacation time, selected the perfect accommodations, and reserved your spot in line at popular attractions. Your route has been mapped and we do the driving; all you need to do is relax in our comfortable motorcoach and enjoy the scenery. With CIE Tours, you don't have to worry about quality or value; just leave it to us.

YOUR VACATION, YOUR WAY

There are so many ways to travel with CIE Tours – here are just a few. Choose your style and go with us.

1

Guided Vacations

Travel in a spacious luxury motorcoach fully equipped with wi-fi, reclining seats and oversized windows so you can best enjoy the open road. As our most popular travel choice, guided vacations are perfect for every type of traveler. You'll travel with others and a tour director dedicated to sharing all the local lore and ensuring a memorable experience. Most everything is included in one up-front price: accommodations, transportation, sightseeing, most meals, entertainment and more. Some guided vacations are designated as small group departures and limited to just 26 passengers, giving you freedom to stretch out on a full-sized motorcoach.

2

Group Vacations

When you have 10 or more people traveling together, you'll have several options: save by traveling with your group on a motorcoach shared with others; take your group on a private coach on one of our guided vacations; or take a customized, private, full-coach group vacation. Have fewer than nine traveling together? Ask us about other options to customize your group's vacation.

3

Independent Adventures

Strike out on your own and explore Ireland at your own pace. Independent Adventures give you the freedom to go wherever you want, whenever you want, backed by CIE Tour's 90 years' experience. Our self-drive options put you in the driver's seat – you can choose to follow one of our pre-set routes or make your own plan.

4

Private Driver Vacations

Experience Ireland, Great Britain, and Iceland your way with our most custom and personal style of travel. Travel in your own private car with a driver who knows the local history and has plenty of insider stories to share. Perfect for heritage seekers, golfers, multi-generational families, and travelers with mobility constraints. Let us design a custom itinerary or choose from one of our curated private driver itineraries and leave the details to us.
