Dear French Quarter Owners,

I wanted to provide a follow-up update to keep you fully informed on progress over the past two weeks.

We've continued moving key items forward and want to ensure you have clear visibility into what's been completed, what's currently in motion, and what comes next.

Our goal with these regular touchpoints is to maintain transparency, stay proactive, and address any questions early. Below is a summary of recent activity and upcoming milestones.

Building 2 has undergone a thorough deep cleaning process. We are purchasing the necessary equipment to begin moisture remediation and vendors have been contacted to assess and price out the pool and whirlpool repairs needed.

There will be another Town Hall scheduled within the next 3 weeks, so please keep your eyes out for that communication and meeting link.

To ensure you receive all future communications, billing statements, and important updates, please take a moment to confirm that your **mailing address, email address, and phone number** are current. If any information needs to be updated, please contact Owner Support as soon as possible.

You can reach them at: [frenchquarterreimagined@lemonjuice.com](mailto:frenchquarterreimagined@lemonjuice.com) or call (417) 842-2041

Remember also to check the infosite for any updates and past communications at [French Quarter Reimagined](#)

Thank you for your continued ownership and engagement. We appreciate your patience during this period of transition.

Sincerely,

**Kris Johnson**
