

Contained & Inclusive

Let's discuss offering classroom and program options to meet needs.

Families seeking a church look for self-contained classrooms and assistance in typical programs, including adapted classrooms, buddy systems, reverse Inclusion, and church-wide support. Welcome all families by offering options for children, teens, and adults.

Questions

- How do you decide what program is best for a student?
- What support and tools can you provide to help a student experience a typical classroom?
- How does inclusion and reverse inclusion make our church better?
- How can you empower typical class leaders and peers to be inclusive?
- Why is it important for our families to engage in church activities?
