

Spaces & Tools

Let's discuss selecting rooms and making them work effectively.

Any room can be transformed into a comfortable, safe, and enjoyable space to learn about Jesus. Select the best available location and add supplies as needed. Adapt as you change and make plans to expand.

Questions

- What are the only things you need to start caring for someone with special needs?
- What are ideas to make a larger, open space work well? A small space?
- What are the pros and cons of having one space for all ages? For separating students by age?
- If the budget were unlimited, what would your ideal space look like?
