

Texas Medicaid Waiver Interest Lists

Medicaid Waivers provide opportunities to receive cost-effective services and supports, including personal assistance, respite care, nursing services, equipment, supplies, therapies, and more.

To receive benefits in the future, join the interest lists TODAY.

These waiting lists are extremely long, and people have been waiting for decades to reach the top. It's crucial to get on all the lists now:

- Even if you don't understand them.
- Even if you are unsure if your child will need them.
- Even if you don't think you will qualify for them.

Find and call your Local IDD Authority (LIDDA) representative.

You're at the top! Yet, there are more steps ahead.

When you get to the top of the list, you'll be contacted by a representative who will help you get qualified, determine Level of Need (LON), choose providers, and more. You may use one waiver while staying on lists for others. It's a long journey, but it's worth the trip.
