INTERVIEW WITH FRANS MALABANE.

FOUNDER OF:

DITAU AFRICA
SAFARIS

DITAU TOURS &
ADVENTURES

Frans is a registered professional hunter with an non-restricted license (allowed to guide on dangerous game as well) and hunting outfitter in the province of Limpopo.

[READ MORE](#)

WHAT ARE SOME OF THE DIFFICULTIES/CHALLENGES YOU ENCOUNTER IN YOUR JOB?

"The challenges we encounter in the sector are broad and occur in many ways. Some of the challenges or difficulties are institutional, particularly in the hunting industry. Those challenges may occur in the form of political, societal and economic. It must always be remembered that the hunting industry in South Africa is one the untransformed sectors up to this far. In terms of tours and outdoor excursions, some challenges we encounter include dealing with different characters and personalities for each group that joins us on a tour or hike for instance. Getting the whole group to conform to one routine or our way of doing things as a business."

INTERVIEW WITH SHANTEL RAMS.

INFLUENCER AND
ENTREPRENEUR

Shantelle Rams is a 23-year-old influencer and entrepreneur whose journey is deeply rooted in the vibrant landscapes of Polokwane. Shantelle is making waves as an influential figure, embodying the spirit of a young entrepreneur.

[> READ MORE](#)

WHAT IS YOUR GREATEST ACHIEVEMENT SO FAR? OR WHAT WAS YOUR BIGGEST GIG?

"It definitely has to be when I was the first black female influencer to work with the biggest regional mall in Limpopo, Mall Of The North. I got to work with almost all of the shops at the mall, creating content for different seasonal campaigns. It is the highlight of my influencing career as it opened many doors for me and cemented my accreditation and dignity as an influencer in Polokwane."
