IN WHAT WAYS DO YOU FORESEE COLLABORATING WITH LOCAL BUSINESSES AND STAKEHOLDERS TO ENHANCE THE CITY'S TOURISM OFFERINGS?

"Direct Tourism businesses are indeed the backbone of the industry but we are always looking at the value chain within tourism. Expanding on integrating more stakeholders can offer our visitors something more unique in and around the city.

We engage regularly with non-direct value chain partners like car dealerships, department stores, and vendors at Markets. Seeing how best we can combine their offerings into the larger community that is Tourism in our City."

WHAT ADVICE WOULD YOU GIVE TO YOUNG GIRLS WHO ASPIRE TO FOLLOW IN YOUR FOOTSTEPS?

"Do not be afraid to take up space and cement yourself. Some challenges will demotivate you, pull you back, and make you feel like you are not good enough. Do not be afraid to pause and breathe, because at the end of the day, your mental health comes first. Work hard on every opportunity you get, whether it is small or big, put in the big work, and most importantly, never be afraid to ask for help."
