FERREIRA PROPERTY GROUP

Since its inception in 1980 by Jan Ferreira, JB Ferreira Trust has become a cornerstone of property rental in Tzaneen, Limpopo. Initially starting with a single property built to house Boulevard Printers, Jan's business acumen and visionary development strategies quickly transformed the company into a major player in the commercial, residential, and industrial property markets.

Jan Ferreira founded JB Ferreira Trust with a clear vision of growth and community integration. His first venture was modest, but it set the stage for future expansions. From that single centre, the company expanded into multiple substantial shopping centres, becoming a vital part of Tzaneen's commercial landscape.

COMMERCIAL & INDUSTRIAL

Their extensive range of commercial spaces includes retail stores in bustling shopping centres, modern office spaces in centrally located office parks, and units in high-foot-traffic strip malls, catering to a variety of business needs. Alongside these, they offer industrial properties designed for light manufacturing, warehousing, and other industrial activities, providing flexible rental options to accommodate businesses of all sizes. JB Ferreira Trust's commitment to fostering local entrepreneurship and supporting both national and local tenants ensures a dynamic and thriving environment for commercial and industrial ventures alike.

RESIDENTIAL

Their residential portfolio includes well-maintained apartments, townhouses, and residential dwellings located throughout Tzaneen. Each property is meticulously cared for, ensuring comfortable and quality living spaces for tenants. Whether individuals or families are looking for a cozy apartment or a spacious townhouse, Ferreira Property Group provides a range of options to suit different needs and preferences. Their dedication to maintaining high standards in their residential properties ensures a pleasant and reliable renting experience for all their tenants.
