Communication: How we listen to					
one another					
Degree of affection and care we					
give to one another					
Management of finances					
How you fulfill your role and					
responsibilities					
How your spouse fulfills his / her					
role and responsibilities					
How we argue and solve conflicts					
together					
Friendship: Sharing information					
with one another					
Degree of intimacy and closeness					
Recreational activity					
How we behave as a couple in					
public					
How we get along with each					
other's parents and siblings					
How we get along with each					
other's friends					

Overall rate how happy you feel in your present marriage. Compare your happiness or satisfaction with what you believe most people get from marriage. Where would you rate yourself? Place an "X" along the following line to show where you rate yourself with those on one end who are very unhappy and with those on the other that experience great joy and happiness in marriage?

Very	Happy / Satisfied	Very
Unhappy/Unsatisfied		Happy/Satisfied

	Yes	No
