## Professional Quality of Life Scale (ProQOL)

Compassion Satisfaction and Compassion Fatigue (ProOOL) Version 5 (2009)

When you [help] people you have direct contact with their lives. As you may have found, your compassion for those you [help] can affect you in positive and negative ways. Below are some-questions about your experiences, both positive and negative, as a [helper]. Consider each of the following questions about you and your current work situation. Select the number that honestly reflects how frequently you experienced these things in the <u>last 30 days</u>.

I=Nev	ver 2=Rarely	3=Sometimes	4=Often	5=Very Often
	Lam banny			
	I am preoccupied with m	ore than one person I [helb]		
—— <del>2</del> .	I get satisfaction from heing able to Thelp people			
<b>3</b> .	I feel connected to other	rs.		
5.	l iump or am startled by	unexpected sounds.		
<del></del> 6.	I feel invigorated after w	orking with those I [help].		
<del></del> 7.	I find it difficult to separa	ite my personal life from my l	ife as a [helper]	•
8.	l am happy. I am preoccupied with more than one person I [help]. I get satisfaction from being able to [help] people. I feel connected to others. I jump or am startled by unexpected sounds. I feel invigorated after working with those I [help]. I find it difficult to separate my personal life from my life as a [helper]. I am not as productive at work because I am losing sleep over traumatic experiences of a person I [help]. I think that I might have been affected by the traumatic stress of those I [help]. I feel trapped by my job as a [helper]. Because of my [helping], I have felt "on edge" about various things. I like my work as a [helper]. I feel depressed because of the traumatic experiences of the people I [help]. I feel as though I am experiencing the trauma of someone I have [helped]. I have beliefs that sustain me. I am pleased with how I am able to keep up with [helping] techniques and protocols. I am the person I always wanted to be. My work makes me feel satisfied. I feel worn out because of my work as a [helper]. I have happy thoughts and feelings about those I [help] and how I could help them. I feel overwhelmed because my case [work] load seems endless. I believe I can make a difference through my work. I avoid certain activities or situations because they remind me of frightening experiences of the people I [help].			
	a person I [help].
