Why Businesses Choose Nexra

Our mission is simple: deliver consistent, professional cleaning that enhances employee wellness, customer confidence, and your company's image.

- Customized cleaning plans for every facility.
- Insured, uniformed professionals.
- Flexible scheduling around your operations.
- Consistent communication and quality assurance.
- Scalable solutions for single locations or multiple facilities.

Our Onboarding Process

Every commercial partnership begins with a structured process.

- Free walkthrough of the facility.
- Discuss pain points, high-priority areas, and traffic patterns.
- Build a customized scope of work.
- Provide a detailed proposal.
- Schedule recurring service and assign a quality checklist.

Detailed Cleaning Standards

Every visit follows systematic cleaning procedures.

- Reception: sanitize counters, dust furniture, clean glass, remove fingerprints, vacuum/mop.
- Private offices: desks (clear surfaces only), chairs, shelves, windowsills, trash, floors.
- Conference rooms: tables, chairs, presentation equipment exteriors, touch points.
- Breakrooms: countertops, sinks, faucets, appliance exteriors, cabinet fronts, tables, floors.
- Restrooms: toilets, urinals, partitions, sinks, mirrors, dispensers, fixtures, trash, floors, disinfection.
- Hallways & common areas: dusting, touch-point disinfection, glass, floors, entrances.
- Retail areas: displays, counters, fitting rooms, checkout stations, entry glass.
- Floor care: vacuuming, edge detailing, sweeping, damp mopping, spot treatment.

Specialty Services

Available as recurring or one-time projects.

- Post-construction cleanup.
- Carpet extraction.
- Tile & grout restoration.
- Interior window cleaning.
- High-touch disinfection.
- Day porter services.
- Move-in / move-out commercial cleaning.

Quality Assurance Program

Consistency is built into our process.

- Supervisor inspections.
- Digital room-by-room checklists.
- Customer communication log.
- Rapid correction of service issues.
- Periodic walkthroughs to adjust the cleaning scope as your needs evolve.

Why Our Process Adds Value

Cleaning is more than appearance.

- Creates a healthier workplace by reducing dust and high-touch contaminants.
- Improves first impressions for customers, tenants, and visitors.
- Helps protect flooring, fixtures, and finishes from premature wear.
- Allows employees to focus on work instead of facility upkeep.
- Provides accountability through documented procedures and inspections.
