December 2025

Dear Members of the Class of 2026 and current College Students,

The Scotch Plains-Fanwood Scholarship Foundation is honored to continue assisting graduating seniors and current college students who reside in Scotch Plains and Fanwood in achieving their goal of a college or other post-high school education, as we have since 1966. We are proud to have awarded over \$5,000,000 in scholarship assistance to local students!

We would like to **strongly** encourage families to apply for financial need-based scholarships, as many factors are taken into consideration when determining financial need eligibility, and applicants who qualify for need-based scholarships will be considered for a larger number of scholarships overall.

Please carefully review the description of each scholarship listed in this booklet. You will find:

- Only **one** application needs to be completed to be considered for all scholarships listed. Applications may be accessed at [www.spfscholarshipfoundation.org](http://www.spfscholarshipfoundation.org) and must be completed online.
- There are both financial need and non-financial need-based scholarships. Need-based scholarship applicants must complete the "Need-Based Scholarship Eligibility Application" and parents/guardians will need to supply the necessary supporting tax documents. **If we do not receive the required financial documentation, applicants will not be considered for Need-based scholarships.**
- **Several scholarships require an additional letter of recommendation or supplemental essay.** Please see the "Scholarships with Additional Essay/Letter Requirements" section in the application.
- **Deadline for receipt of the application is FEBRUARY 6, 2026 at 5 pm.**

Please read the 2026 Scholarship Booklet thoroughly, as answers to most questions are contained within. If additional questions should arise, please do not hesitate to contact the Scholarship Foundation Screening Chair at [spfsapplication@gmail.com](mailto:spfsapplication@gmail.com) or visit our website at [www.spfscholarshipfoundation.org](http://www.spfscholarshipfoundation.org).

On behalf of all of the Trustees of the Scotch Plains-Fanwood Scholarship Foundation, I congratulate you on your interest in furthering your education beyond high school and encourage you to apply for these scholarships made available to you by the generosity of many individuals and local organizations.

Sincerely,

Michelle Wyrwa  
President
