A drive of another 4 km took us to MAGNETIC HILL which defies the law of gravity. It has been noticed that when a vehicle is parked on neutral gear on this metallic road the vehicle slides up & further Driving through a picturesque landscape we reached the CONFLUENCE OF THE INDUS AND ZANSKAR RIVER 4 km before Nimmu village, Just before Saspul a road to the right takes you for your visit to the LIKIR MONASTERY. The name Likir derives from the word Lukhgil (coiled snake) as the site appears to be encircled by two great serpent spirits – Nanda and Taksako. Likir is one of the most active monasteries in the region. As you drive up to the monastery a recently installed colossal gilded image of the Maitreya out in the open is one of the most impressive sights in Ladakh. Later you proceed to the 11th century LAMAYURU MONASTERY enroute visiting the mesmerizing MOON LANDSCAPES (you will believe why the name of this area is Moonland. Exactly the same formations of Land are visible as on the moon), Lamayuru is spectacularly located along the valley plain and surrounded by mountains on all sides. The monastery has gradually expanded over the years and newer structures have been built around a large courtyard. The antiquity of this site is evident from the large number of chortens, similar to those at Alchi. On your return drive to Leh you first visit the ALCHI GOMPA. The complex of temples located within the village is the most celebrated of Ladakh's monasteries and dates back to the 11th century. Finally you arrive back at Leh for an overnight stay at your Hotel.
