

EMDR Therapist Contractor Description

At Purple Heart Behavioral Health LLC, we are a private virtual mental health practice who treat clients in the PsyPact approved states. We specialize in treating clients who have experienced trauma, and our practice is a 5-week intensive online trauma program. We are hiring independently licensed psychotherapists to join our team as Independent Contractors who are proficient in EMDR. As a therapist, you will be responsible for conducting intake sessions, EMDR psychotherapy, completing progress notes, and following program treatment plans.

All sessions are held via a HIPAA compliant telehealth portal. Marketing, Billing, Administrative, and EHR support will be provided.

You are not responsible to find your own clients. **Once the 5-week program is complete, should the client decide they'd like to continue with your care, we encourage it and will assist with the transition to your private practice.**

We believe that all individuals have the capacity for growth and change and it is our hope that by joining our team, you will be able to help facilitate that change in others. If you are passionate about helping people heal from trauma and meet the qualifications listed below, please submit your resume and cover letter today. We look forward to hearing from you!

License Requirements:

We require our contractors to be Independently Licensed for your state and profession (psychologist, counselor, social worker). PsyPact approved psychologists encouraged to apply.

Clinicians from the following states will be considered: Alabama, Arizona, Arkansas, Colorado, Connecticut, Delaware, District of Columbia, Georgia, Idaho, Illinois, Indiana, Kansas, Kentucky, Maine, Maryland, Minnesota, Missouri, Nebraska, Nevada, New Hampshire, New Jersey, North Carolina, Ohio, Oklahoma, Pennsylvania, Tennessee, Texas, Utah, Virginia, Washington, West Virginia, and Wisconsin.

Additional Requirements:

We seek clinicians to work with us who actively employ **anti-racism in both their professional and personal lives** and enjoy working with diverse populations. You must have your own professional liability malpractice insurance and your own smart phone and desktop or laptop. Additionally, you must be able to work virtually in a confidential setting that is quiet and free from distractions.

You must be available for at least 6 hours per week minimum during the 5-week cohort. This is part-time and set to augment your current professional endeavors.

As a therapist, there are certain qualities that are essential for success with Purple Heart Behavioral Health LLC. You must be warm and compassionate, with a deep desire to help others. You must also be clinically professional, with excellent listening skills and the ability to build trust. Finally, you must be flexible and willing to think outside the box, while always looking for new ways to improve your skills. If you can demonstrate all of these qualities, you will be well on your way to becoming a successful therapist with Purple Heart Behavioral Health LLC.
