

## Lori McCarthy

Instructor

Lori McCarthy has been a music instructor for over 30 years. She holds Bachelor of Arts and Master of Music degrees from the University of Maryland. She is a Nationally Certified Teacher of Music through the Music Teachers National Association, is a former music teacher at Our Lady of Lourdes School in Bethesda and former early childhood music director at The Academy of Music in Gaithersburg. She is past president of the Montgomery County Music Teachers Association, former chairman of the theory testing program for the Maryland State Music Teachers Association, and immediate past president of the Washington Music Teachers Association.

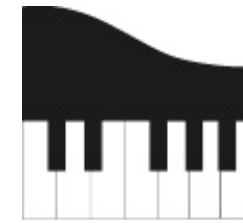

The Piano Studio of Lori McCarthy is located at 3607 Dunlop Street, Chevy Chase.

From the Beltway:

Take Connecticut Avenue south toward Chevy Chase. Go to the fifth traffic light (it is a set of two closely placed lights with a firehouse on the left). Turn left at the light marked Dunlop Street. Go 2-1/2 blocks and 3607 is on the left.

From downtown Bethesda:

Take East West Highway going east toward Silver Spring. Turn left at Connecticut Avenue. At the next light, turn right on Dunlop Street (firehouse and Chevy Chase Women's Club are on your right). Go 2-1/2 blocks and 3607 is on the left.

## PRIVATE LESSONS.

Lessons can be weekly, bi-monthly, or just a couple of lessons to keep piano skills fresh. Tuition includes lessons, computer lab, and regular music. Any special requests for music will be billed separately.

### Rates:

30-minute lesson \$32

45-minute lesson \$46

60-minute lesson \$60

Lessons for the adult program must be scheduled between 9:30am and 3pm. (Lessons scheduled in the late afternoon or evening follow the regular tuition payment and studio policies.)

Lessons will be scheduled in 1-month blocks in agreement between teacher and student. Payment for the entire month is expected at the first lesson of the month. Missed lessons must be canceled 24 hours in advance or will be forfeited. Lessons canceled in advance may be made up at a time agreeable to the teacher and student.

Music books and sheet music will be provided and will be added to the monthly charge. Adult students have the option of purchasing music from their own sources if preferred.

## TECHNOLOGY LAB

Adults students have the option of participating in the computer lab program to drill theory, ear training, and music appreciation. Programs may include:

### **Alfred's Essentials of Music Theory.**

Drills students on the basics of note reading, musical terminology, rhythm, and key signatures.

**Music Ace.** Drills students on all aspects of music theory.

**Musition.** Music theory drills.

**Auralia.** Ear training exercises to improve listening and musicianship.

**Musiclearningcommunity.com.** An interactive online theory program that can be accessed at home.

### **iPad apps.**

Recommended iPad apps for theory, sight reading, or recording may be completed at the studio or at home.
