

# SUNDAY SCHOOL TAKE HOME PAGE

## *To parents:*

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

### **What we learned:**

Today the children learned that every day we are faced with situations that require perseverance. When we are faced with these difficult times, should we give up or persevere? If we choose to persevere and pass the test, and love God, we will become more mature. One day we will be complete and we will receive the crown of life that God promised! (Scripture used: James 1:2-8 and verse 12)

### **Memory Verse:**

**"Blessed is the one who perseveres under trial, because having stood the test, that person will receive the crown of life that the Lord has promised to those who love him." James 1:12 NIV**

Practice this verse several times with your child during the week. This will not only help him or her remember the verse, but it will also help to reinforce what he or she learned during class.

### **Suggested Parent/Child Activity:**

This week, take you child out to play a game that requires patience and perseverance, such as a round of miniature golf. During the game, explain how perseverance is needed, especially when an important shot is missed. Help you child understand that it takes a certain amount of perseverance to finish the game, even a fun game. Explain that not everything in life is fun, but still requires perseverance.

### **Daily Prayer:**

Dear Lord, sometimes I find myself faced with difficulties, and things I find hard to do. Please help me persevere during these times, when I know it is according to Your Will. Give me the strength to carry on, until the end. Give me the patience I need to finish the task. Amen.
