Dear Friends,

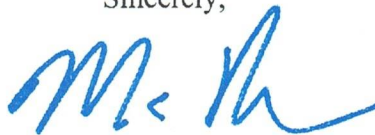

I am pleased to recognize Bikers Against Trafficking for its dedication to combating human trafficking throughout Florida.

Each year you work to bring awareness to the source of human trafficking, one of the most urgent human rights issues of our time. This horrendous crime often occurs in our own backyards, targeting some of our community's most defenseless individuals.

Through your hard work and passion for combating this horror, know your efforts are helping to make Florida a safer and more humane place for us all. Be proud of your work as these victims know they have a champion in you and your organization fighting for their justice.

On behalf of the people of Florida, I thank you for your dedication to combating human trafficking and for supporting these victims throughout Florida. Please accept my best wishes to your organization and I look forward to hearing of your continued good work throughout our state.

Sincerely,

Marco Rubio
