Ref: Reference Request

Dear HR / Recruitment team,

Please find enclosed the completed Reference Request form for Victoria Pater.

Since graduating, Victoria has been a true asset as a student ambassador and teaching assistant. Her positive outlook, professionalism and excellent communication have shone in her work with us whether at open days and graduation events welcoming and signposting visitors around the university or supporting collaborative projects between students and local arts organisations.

In a recent collaboration between London College of Communication and Southwark Playhouse, Victoria was able to use both her creative skills (shooting documentary footage, animation) and production co-ordination ability to ensure a complex shoot with projection mapping, live performance and student participation went smoothly.

She is resourceful, kind and inclusive, making students and members of the public from a wide demographic and with varied needs feel valued and comfortable participating in our events. Therefore, I highly recommend her.

Please do not hesitate to get in touch if you need further information.

Yours sincerely

Vida Vega
Lecturer in Animation
