

Sean Christopher Cassidy

Corporate Aircraft Senior Technician

scassidy9@icloud.com • 6574 Belle Cote Circle • Argyle • 76226 • 469-471-6947

I have 36 yrs of advanced hands-on experience with Gulfstreams and Falcons. I have been a DOM in several Fortune 100 and 500 companies and private parties. I have expert level experience in troubleshooting difficult problems, preventive maintenance, planning and budgeting and running major inspections safely and efficiently. I have developed a reputation of being the go to guy for perplexing situations and finding dangerous situations that have been missed.
