

Celebration Lotto Freedom 2023

(FUNdraising – Posties For Freedom)

Objectives: Award \$2000 to the winner and FUNdraise as much as possible for the legal fund of Posties for Freedom. It is also a means to alleviate a portion, or the totality, of our \$200 Feb Legal Fee Invoice. Overall, the main goal is to encourage each and every one of us to speak to our entourage, but specifically to our acquaintances, neighbors, and co-workers to whom we interact with less often, in order to create opportunities to raise their awareness of our cause and open dialogue.

We have one month to collect a minimum of 20 entries. Each entry costs \$10 and the purchaser will be required to choose 10 numbers (+1 Bonus number) between 1 and 49. For every entry you solicit/sell, it will reduce your overall fee for the lawsuit Feb 2023 Invoice. Example: If you sell 5 tickets you will reduce the Feb \$200 invoice by \$50 dollars, leaving a balance of \$150. Up to the maximum \$200. All entries sold after the \$200 will be donated to the legal fund pot! This is also true for those members wanting to join in the second lawsuit, as they will see their entry fee reduced.

The deadline is Saturday, January 28th, 2023 to return your entry sheets by Email.

Ideally, complete them in WORD format to reduce the workload on our buzzy ADMIN Bees, Line & Lisa. Then, complete your Interac transfer of \$200 (or more) by Email to: PostiesLiberte@gmail.com

As of **Wednesday, February 1st**, we will mirror Lotto's 6/49 winning numbers, which are drawn every Wednesday and Saturday - until all 10 numbers are drawn from a single entry and declare a winner. If there is more than one winner on the day of a draw, the one with the Bonus number closest to the drawn Bonus will win the jackpot alone. Follow the results on our FB pages: [Posties for Freedom](#) & [Posties pour la Liberté](#).

Here are some suggestions to make your solicitations easier:

- Go around your Christmas & New Year Parties to invite loved ones to join in!!
- Buy and treat coworkers or family as Holiday Gifts & in stockings (make sure to add your name in the gray *PPF member* section: "gifted/paid by xxxx").
- Ask for help from a relative or friend who has a larger network than you in order to sell portions of your participations (children/adult recreation events are a great place to capture many individuals in one location).
- Smaller budgets: team up with a friend by sharing the cost of the ticket(s). Example: two friends sharing 5x participations = \$25 each and win 1k each!!
- Enter alone (\$ 200 and choose 20 combos) for a chance to win \$2000!

* If the winner is a Posties: they do not have the right to give it back directly.

** For verification purposes, two members of the PPF/PPL Lotto Committee enter data in our common Excel sheet. Two accountants and a Controller both go over all the numbers for a final check of the # of participants & the winning numbers after each draw.
