

# Masks, Masks, MASKS!

I wear a mask when  
I fly high.

And when I'm super strong.

I wear a mask when I  
count lions.

And when I dance to  
my favorite song.

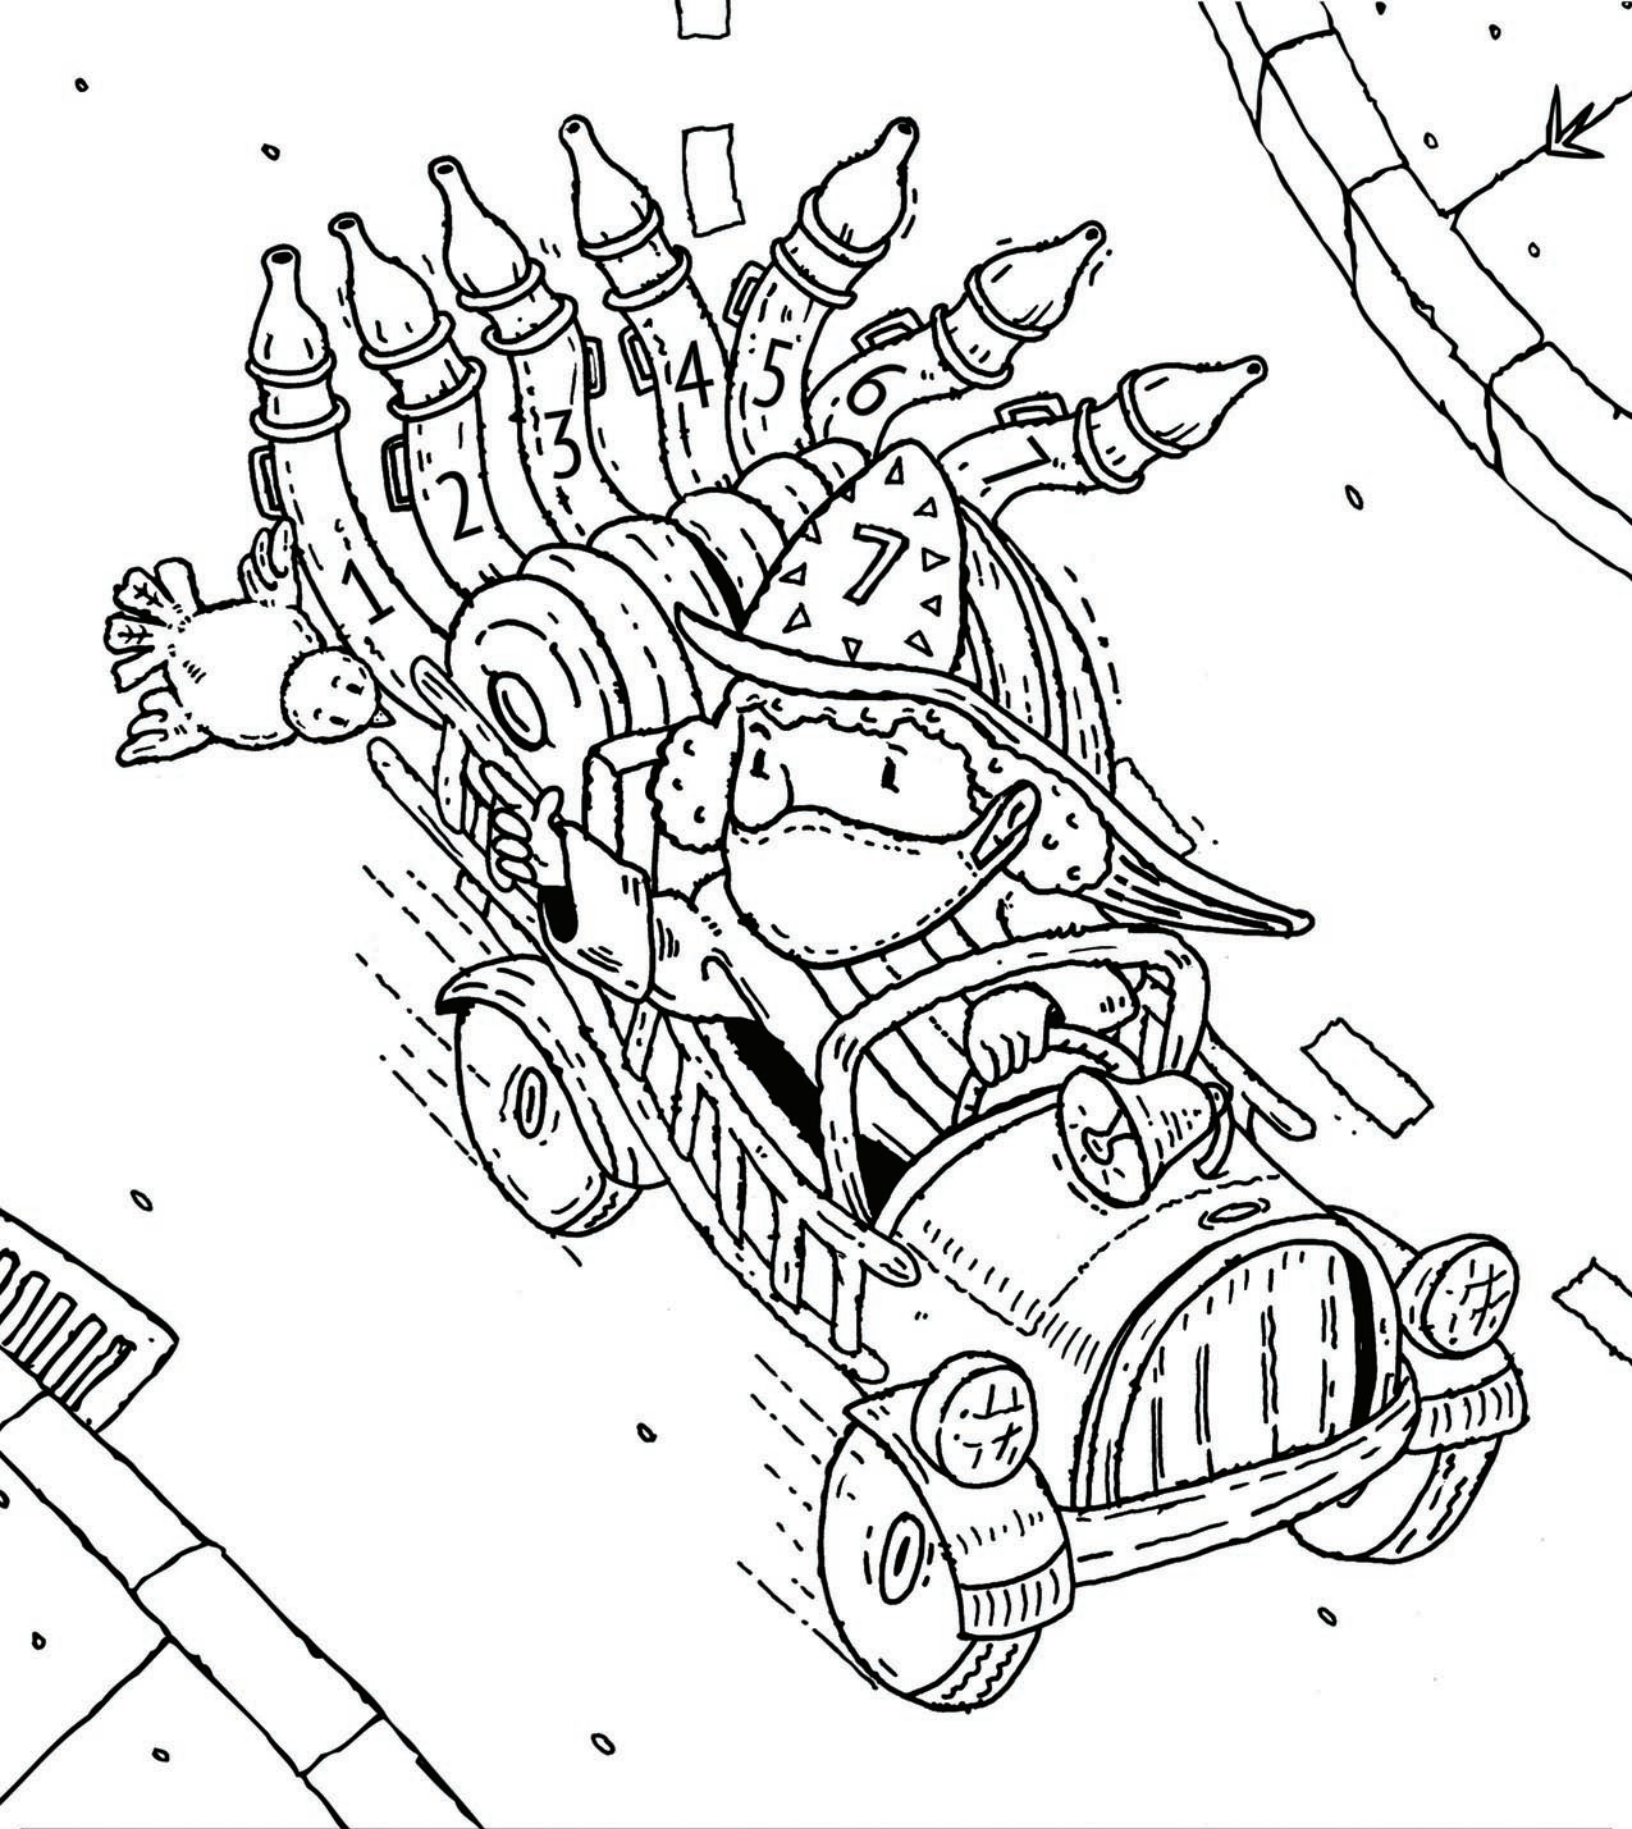

I wear a mask  
in the wild, wild West.

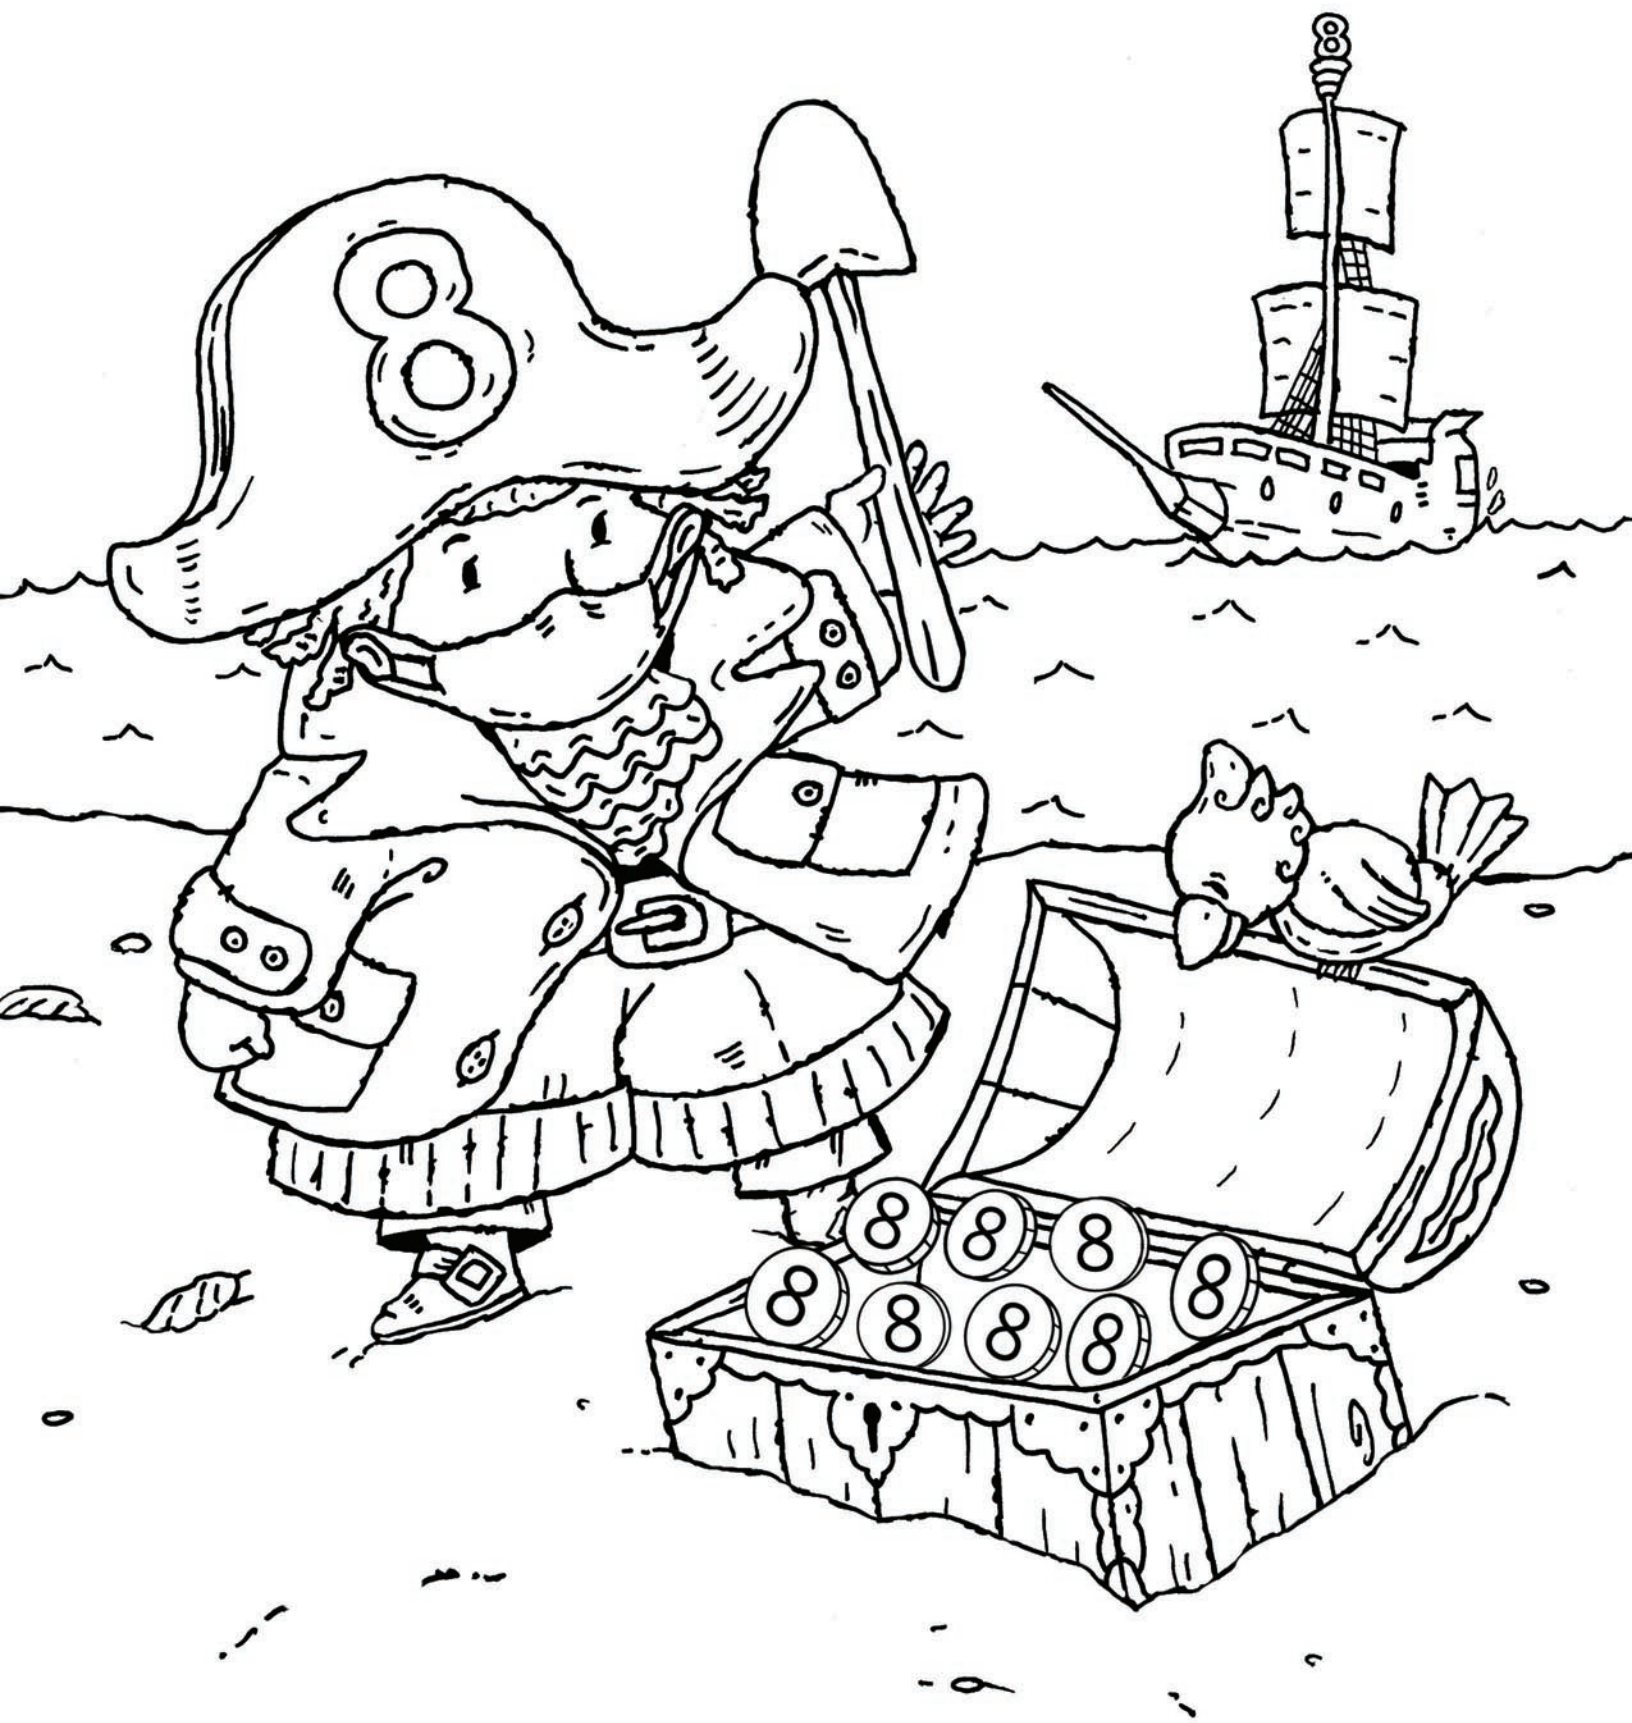

And when I play guitar  
in my band.

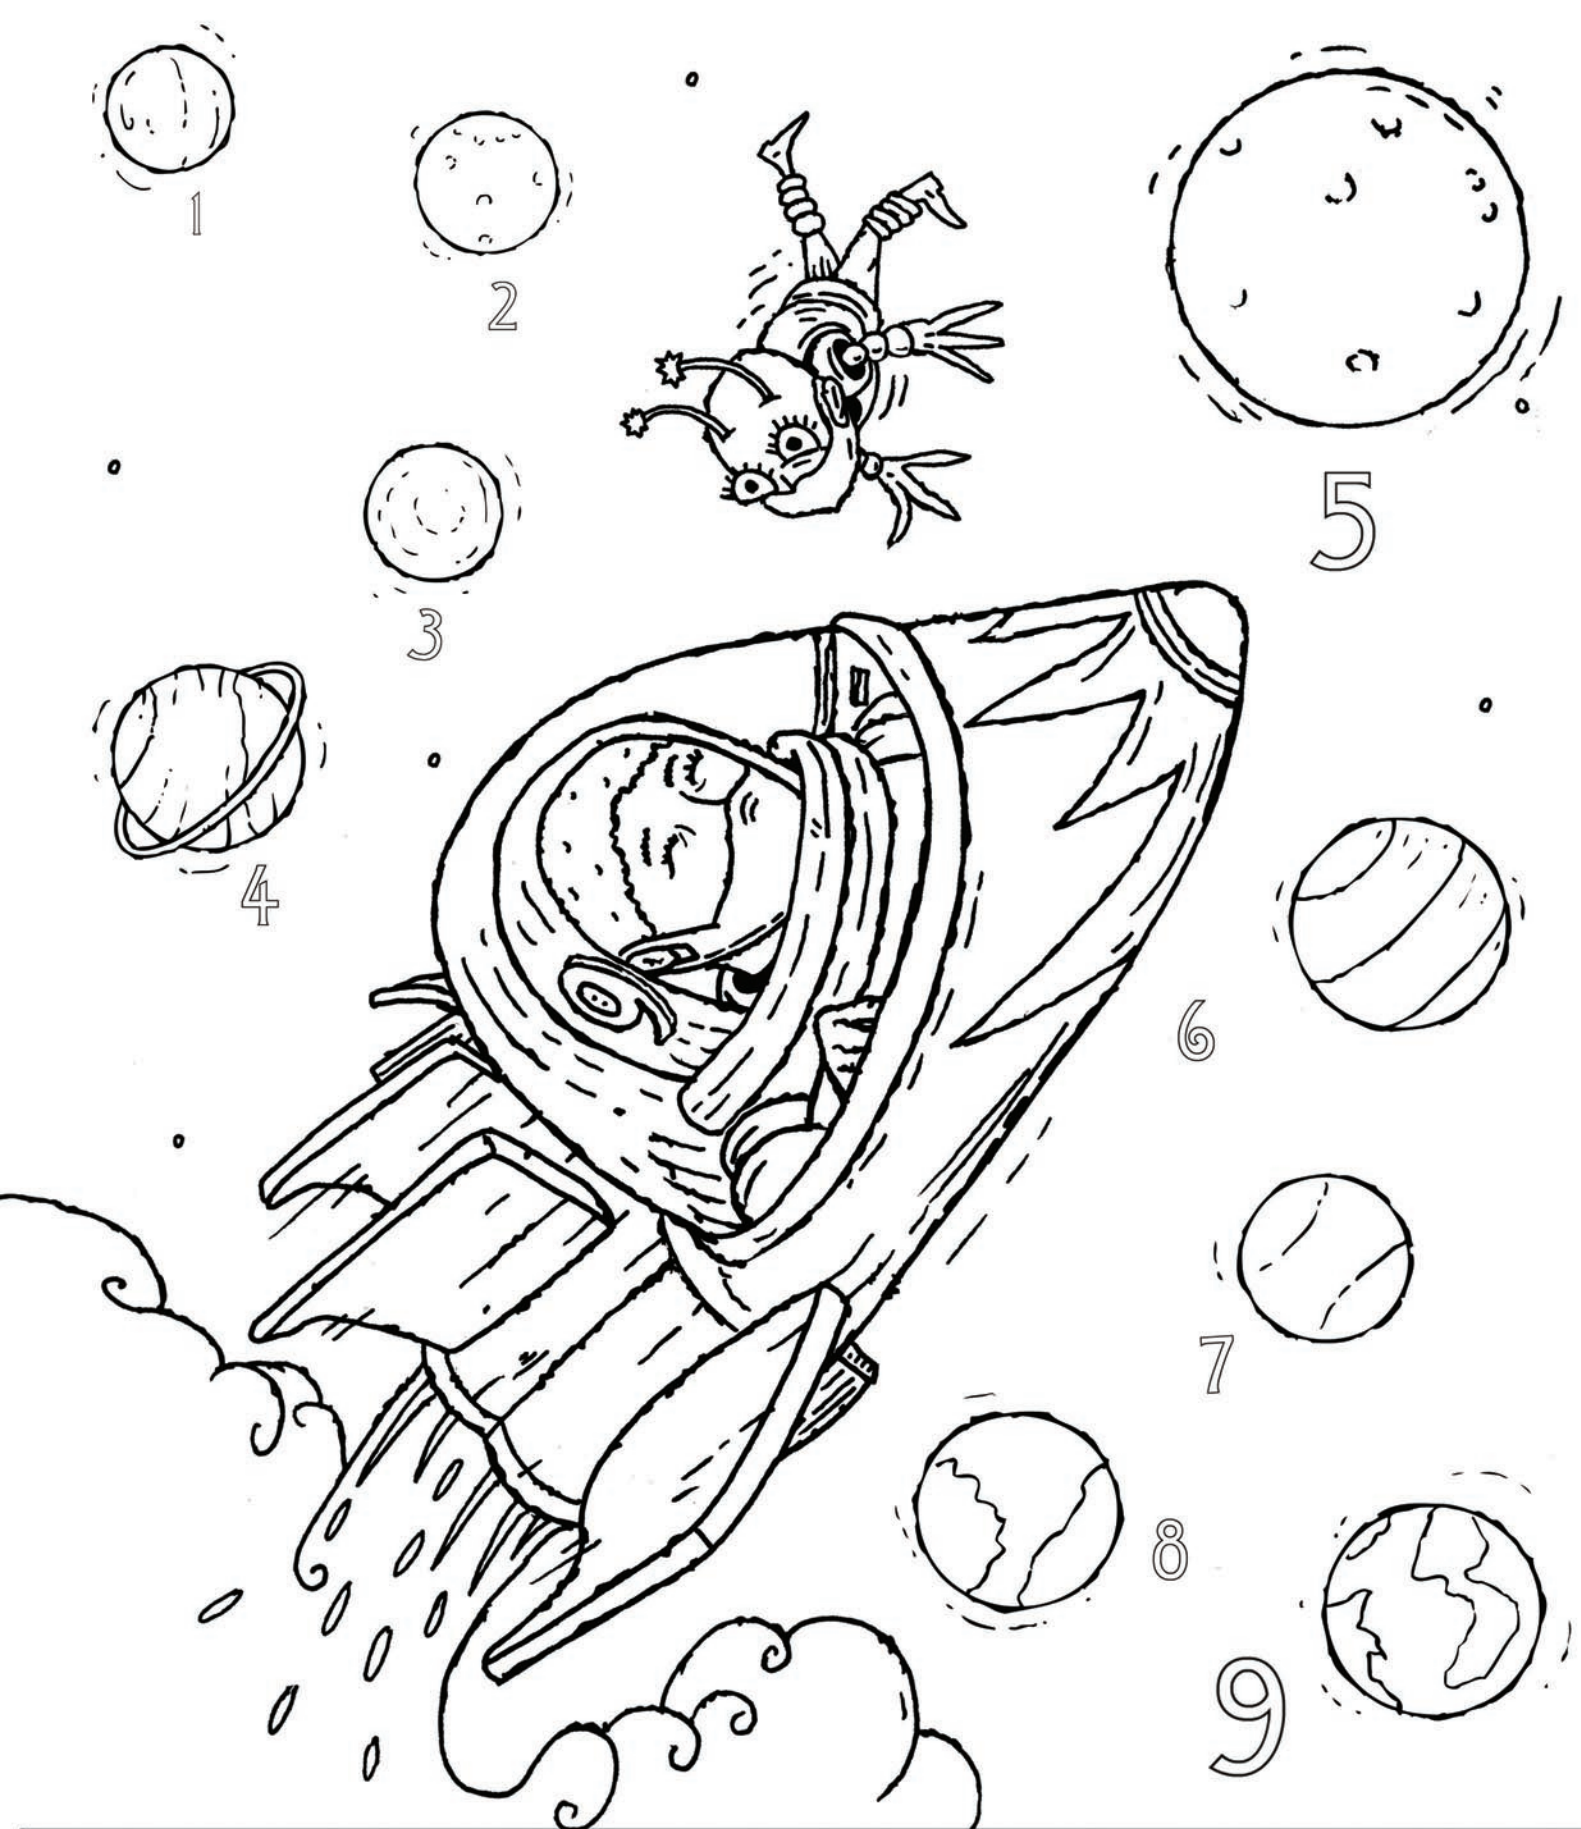

I wear a mask when I put  
out fires.

And when I dig for  
treasure in the sand.

I wear a mask when I soar  
to the moon.

But mostly, I wear a mask so  
we can be together soon.
