When one becomes a member of the Lincoln Trail College Foundation they join a 501C3 non-profit organization devoted to assisting our community's citizens in acquiring new skills. Whether its local high school graduates heading off to college or individuals interested in learning to paint or play a guitar, or a laid off worker needing to be re-trained, Foundation dollars assist in this process.

Membership dollars are used to support a wide variety of college activities. The Foundation has provided funds which support programs from Biology to English; from the Theater/Music Department to sports: from scholarships to the beautification of the College.

Your membership payment is tax deductible as is any contribution to the Organization. You may contact any Board Member for further information or contact the Executive Director, Rod Harmon, at the Foundation office 408 S. Cross, Robinson or call 618-544-2373.
