

Diana Group LLC

DISCLOSURE

Diana Group LLC is an Auto Brokerage Firm operating in Los Angeles County since 2023.

What is an Auto Broker?

2.010 Auto Broker, CVC §166.

An Auto Broker or Auto Buying Service is a dealer as defined in CVC §285, one who engages in the business of brokering as defined below:

1. Brokering is an arrangement under which a dealer, for a fee or other consideration regardless of the form or type of payment, provides or offers to provide the service of arranging, negotiating, assisting, or effectuating the acquisition of a new or used motor vehicle, owned by the dealer, for another. (CVC §232.5).
2. A dealer may not engage in brokering a retail sales transaction without having an *auto broker's endorsement* in addition to their dealer's license.
3. This endorsement subjects the dealer to all the licensing, advertising, and other statutory and regulatory requirements and prohibitions applicable to the dealer.
4. An Auto Broker will be required by DMV to maintain a log for each retail sale brokered by that dealer and deposit money into a trust account.

Diana Group LLC is your personal automotive sales advocate, using appropriate sales negotiation techniques, knowledge of the automotive industry and the skill of perseverance to overcome obstacles between the client, buyer or seller.

Our goal is to facilitate an incredible experience through our organization from start to finish, and beyond that's tailored to your specific need.
